I. Diversity and Inclusion

II. Health and Safety

III. Government and Politics

IV. Community Activism

V. Environment, Sustainability, & Science

VI. History and Education

Quarterly Issues / Programs List for January 1st – March 30th, 2024

WUSC has identified the following issues as significant issues facing our community this quarter. Following each issue is a list of programs addressing that issue. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

ISSUE: DIVERSITY AND INCLUSION

1/6/24 - 10:15 AM - Holla If Ya Hear Me - 10 Minutes - Host DJ Ebony Robinson

Ebony delved into the significance of Celia Cruz's representation as the first Afro-Latina featured on the U.S. quarter, highlighting her impact on both African and Latino cultures.

1/15/24 - 4:30 PM - The Savage Patch - 15 Minutes - Host DJ Audrey Savage

Audrey reflected on the cultural importance of the musicians who performed at the March on Washington, emphasizing their role in advocating for civil rights and racial equality.

1/19/24 - 7:45 AM - Dead Air - 10 Minutes - Host DJs Brooke Jones & Elizabeth Ernst

Brooke & Elizabeth explored the resilience and inclusivity of Propaganda nightclub in Moscow, highlighting its status as a safe space for the LGBTQ+ community and its pioneering introduction of EDM to Russia.

1/19/24 - 1:00 PM - Apocrypha - 5 Minutes - Host DJ Peyton Quatham

Peyton examined the roots of drum and bass music within the black community in the UK, emphasizing its role as a form of self-expression for black youth and its contribution to cultural diversity.

1/20/24 - 10:30 AM - Holla If Ya Hear Me - 20 Minutes - Host DJ Ebony Robinson

Ebony celebrated A'ja Wilson's historic achievement as the first recipient of the Tamika Catchings Award, highlighting her excellence on the court and her positive representation in the media.

1/23/24 - 12:30 AM - Radium Girls - 10 Minutes - Host DJs Hannah Parker & Amzie Beeler

Hannah & Amzie illuminated Georgia O'Keeffe's influence on the art world and women, emphasizing her contributions to diversity and gender equality in the arts.

1/25/24 - 12:30 AM - Midnight Snacks - 15 Minutes - Host DJ Tara McGee

Tara shed light on the underrepresentation of female directors in the film industry, discussing the barriers they face and the need for greater inclusivity in prestigious award ceremonies like the Oscars.

1/30/24 - 12:45 AM - Radium Girls - 5 Minutes - Host DJs Hannah Parker & Amzie Beeler
Hannah & Amzie honored Marsha P. Johnson's activism during the LGBTQ+ Rights Movement, emphasizing her pivotal role in advancing equality and acceptance for the queer community.

2/2/24 - 12:30 PM - Apocrypha - 10 Minutes - Host DJ Peyton Quathamier
Peyton explored the life and legacy of Isaac Asimov, highlighting his contributions to literature and science and the importance of diversity in intellectual pursuits.

2/2/24 - 7:00 PM - Paint It Red - 15 Minutes - Host DJ Logan Ellis
Logan recognized Tina Bell's significance in the grunge movement, emphasizing her contributions as a black woman in a predominantly white male-dominated genre.

2/3/24 - 3:15 PM - Totally Cool Tracks - 5 Minutes - Host DJ Amani Eagles
Amani acknowledged Lucy Terry's "Birds Fight" as a pioneering work by a black American poet, highlighting its cultural and historical significance in the literary landscape.

2/7/24 - 9:30 PM - Honey & Spice - 20 Minutes - Host DJs Brielle Horton & Essence Cunningham
Brielle & Essence commemorated trail blazers in black history, highlighting the achievements of the first black Oscar winner and the first black open-heart surgeon as symbols of progress and inclusivity.

2/8/24 - 8:45 AM - Exploding Plastic - 10 Minutes - Host DJ Allie Dunlap
Allie discussed Sun Ra's influence on jazz and his contributions to Afrofuturism, emphasizing the importance of diverse perspectives in shaping cultural movements.

2/9/24 - 11:00 AM - Running on Empty - 15 Minutes - Host DJ Rachael Erickson
Rachael explored the interconnectedness of 1980s Scottish indie pop bands, highlighting the diversity of voices and influences within the music industry.

2/10/24 - 11:30 AM - Holla If Ya Hear Me - 10 Minutes - Host DJ Ebony Robinson
Ebony highlighted Victoria Monet's achievements at the Grammys as a symbol of diversity and talent in the music industry.

2/10/24 - 3:00 PM - Totally Cool Tracks - 15 Minutes - Host DJ Amani Eagles
Amani recognized Rebecca Lee Crumpler as the first black woman to receive a medical degree in the US, underscoring the importance of representation in academic and professional fields.

2/27/24 - 12:30 AM - Radium Girls - 5 Minutes - Host DJs Amzie Beeler & Hannah Parker
Amzie & Hannah celebrated Bessie Coleman's pioneering legacy as the first black pilot, emphasizing her impact on aviation and her role as a trailblazer for female pilots.

2/27/24 - 11:15 PM - Exploding Plastic - 20 Minutes - Host DJ Allie Dunlap
Allie explored the history of Brazilian music and the Tropicalia movement, highlighting its cultural significance and diverse array of artists.

3/11/24 - 12:45 AM - Radium Girls - 10 Minutes - Host DJs Amzie Beeler & Hannah Parker
Amzie & Hannah recognized Nellie Bly's contributions to journalism and mental health reform, emphasizing her advocacy for social change and inclusivity.

3/16/24 - 11:30 AM - Morning Coffee - 10 Minutes - Host DJ Sun Heslin
Sun provided insightful facts about St. Patrick's Day, shedding light on its historical origins and dispelling common myths associated with the holiday.

3/18/24 - 12:00 AM - Radium Girls - 5 Minutes - Host DJs Amzie Beeler & Hannah Parker
Amzie & Hannah honored Stephanie Kwolek's groundbreaking invention of Kevlar, emphasizing the importance of women's contributions in STEM fields and promoting diversity in scientific innovation.

ISSUE: HEALTH AND SAFETY

1/8/24 - 9:00 PM - Ace in the Flame - 30 Minutes - Host DJ Ronnie Rahenkamp
Ronnie explored the history and gameplay of the game Snipperclips, shedding light on its entertainment value within the realm of gaming. He goes on to explain how gaming is scientifically proven to improve social and behavioral connections.

1/12/24 - 3:15 PM - In a Pickle - 10 Minutes - Host DJs Cody King & Izzie Rushton
Cody & Izzie delved into the intricate biology of taste buds, with a focus on citrus flavors and their sensory impact.

1/17/24 - 8:15 PM - DJenerates - 20 Minutes - Host DJs Sydney Lewis & Amelia Feist
Sydney & Amelia examined the phenomenon of anti-aging culture, particularly its portrayal on platforms like TikTok, and its implications for young women and girls.

1/19/24 - 6:15 PM - The Tide - 5 Minutes - Host DJ Stephanie Young
Stephanie differentiated between déjà vu and déjà vu, providing insights into the phenomenon of dream recall.

1/25/24 - 11:00 AM - My Chemical Rave - 15 Minutes - Host DJ Maddie Zediker

Maddie explored CDC bioterrorism classifications and discussed measures for handling infectious agents like tularemia, plague, snake bites, and poisoning, emphasizing public health and safety protocols.

1/29/24 - 1:15 AM - The Ratsnest - 10 Minutes - Host DJ Zachary Cook
Zachary provided valuable information on hypothermia prevention and wilderness first aid, focusing on recognizing symptoms and appropriate interventions.

1/30/24 - 10:30 AM - Jams & Jellies - 5 Minutes - Host DJ Savannah Pender
Savannah shared facts about the human skin as the largest organ, highlighting its vital role in maintaining bodily health.

1/31/24 - 9:00 PM - Honey & Spice - 10 Minutes - Host DJs Brielle Horton & Essence Cunningham
Brielle & Essence educated listeners on the development and management of phobias, promoting understanding and awareness of mental health issues.

2/2/24 - 8:30 AM - Morning Coffee - 10 Minutes - Host DJs Victoria Iacabucci & Sun Heslin
Victoria & Sun explored the stages of infectious diseases, enhancing knowledge about disease progression and transmission.

2/9/24 - 8:30 AM - Morning Coffee - 5 Minutes - Host DJ Sun Heslin
Sun defined hemolysis and hemostasis, emphasizing their significance in understanding blood-related disorders and wound healing.

2/19/24 - 1:45 PM - The Soup Aisle - 5 Minutes - Host DJ Acey Zimpel
Acey explored chimpanzees' gambling behaviors and emotional responses, offering insights into their cognitive abilities and social dynamics as they relate to the human experience.

2/29/24 - 9:30 PM - Ace in the Flame - 20 Minutes - Host DJ Ronnie Rahenkamp
Ronnie analyzed the history and gameplay of Night in the Woods, alongside discussions on mental health disorders depicted in the game's characters.

2/25/24 - 7:00 PM - Starlight Radio - 10 Minutes - Host DJ River Harper
River discussed the impact of stress on the immune system and memory retention, emphasizing self-care strategies during stressful periods.

3/11/24 - 7:30 PM - Rustic Radio - 15 Minutes - Host DJs Rachael Lanning & Rachel Gulczinski
Rachael & Rachel shared alternative bagel recipes tailored for individuals with allergies, promoting inclusivity in dietary choices.

3/15/24 - 1:00 PM - Arcaneum - 10 Minutes - Host DJ Peyton Quathamier
Peyton explored societal concerns about accelerated childhood development, emphasizing the importance of balancing technology use with outdoor activities for child well-being.

3/18/24 - 1:15 AM - The Ratsnest - 5 Minutes - Host DJ Zachary Cook
Zachary highlighted the benefits of the Self Heal flower, including its protective properties against UV radiation, promoting natural remedies for skincare.

3/19/24 - 9:45 AM - It's Not That Serious - 5 Minutes - Host DJs Lily Eppes & Ally Krizka
Lily & Ally advocated for the importance of breakfast in maintaining a healthy diet and lifestyle, emphasizing its role in providing essential nutrients and energy for the day.

3/24/24 - 6:45 PM - Starlight Radio - 10 Minutes - Host DJ River Harper
River explored the potential benefits of consuming local honey for managing seasonal allergies, offering a natural approach to allergy relief.

3/25/24 - 10:00 PM - Chambre le Musique - 5 Minutes - Host DJs Margaret Fischer & Bradley Alford
Margaret & Bradley discussed strategies for maintaining gut and dental health, including the practice of tongue scraping, promoting oral and digestive well-being.

ISSUE: GOVERNMENT AND POLITICS

1/13/24 - 10:45 PM - Into The Saucepan - 15 Minutes - Host DJ Hannah James
Hannah explored the legal disputes surrounding the use of music in fan made games, highlighting the complexities of copyright law and its implications for the entertainment industry.

1/19/24 - 8:00 AM - Morning Coffee - 10 Minutes - Host DJs Sun Heslin & Victoria Iacabucci
Sun & Victoria introduced the significance of Piggly Wiggly as the first self-service grocery store, illustrating its impact on modern retail practices and effects on the economy.

1/24/24 - 9:15 AM - Honey & Spice - 15 Minutes - Host DJs Essence Cunningham & Brielle Horton
Essence & Brielle analyzed political actions such as boycotts and their intersection with sports, along with discussing the geopolitical significance of olive trees in Palestine.

1/26/24 - 7:15 AM - Dead Air - 5 Minutes - Host DJ Elizabeth Ernst
Provided insights into the political context and contemporary perspectives on Australia Day, reflecting on its significance and controversies.

1/27/24 - 10:30 PM - Into the Saucepan - 20 Minutes - Host DJ Hannah James
Hannah examined the intricacies of election laws, focusing on the Democratic Primary in South Carolina and the legal issues surrounding ballot inclusion.

2/5/24 - 1:00 AM - The Ratsnest -10 Minutes - Host DJ Zachary Cook
Zachary explored political and constitutional topics such as the Federalist Papers, misconceptions about the Constitution, and the impact of the 17th Amendment.

2/9/24 - 7:30 AM - Dead Air - 5 Minutes - Host DJs Elizabeth Ernst & Brooke Jones
Elizabeth & Brooke discussed current events such as the introduction of new technological innovations like grubhub robots, highlighting their implications for society.

2/11/24 - 9:00 AM - Eclectic Selections - 10 Minutes - Host DJ J'Lyn Williams
J'Lyn addressed the intersection of corporate entities and social media platforms like TikTok, examining their impact on the music industry and copyright issues.

2/13/24 - 12:30 AM - Radium Girls - 10 Minutes - Host DJs Hannah Parker & Amzie Beeler
Hannah & Amzie celebrated the achievements and legacy of music icon Sinead O'Connor, highlighting her cultural impact and contributions to the political sphere with her public spectacles.

2/22/24 - 10:15 AM - No World is as True as Mine - 20 Minutes - Host DJ Brandon Jolley
Brandon reported on geopolitical conflicts and human rights issues, specifically focusing on the ongoing conflict in Palestine and its global implications.

2/23/24 - 7:30 AM - Dead Air - 10 Minutes - Host DJs Brooke Jones & Elizabeth Ernst
Brooke & Elizabeth explored the historical contributions of figures like Albertina Sisulu to the anti-apartheid movement in South Africa, highlighting their role in shaping political history.

3/1/24 - 1:00 AM - Plan B - 10 Minutes - Host DJ Hailey Brown
Hailey examined political events such as Fidel Castro's regime and the Mariel Boatlift, along with legal cases involving LGBTQ asylum seekers, illustrating their significance in the contemporary political sphere.

3/21/24 - 8:30 AM - The Sitcom - 5 Minutes - Host DJ Catherine Roach
Catherine explored the geological aspects of quartz mining in Arkansas, providing insights into the economic and political impact of mining activities.

3/24/24 - 10:30 AM - Morning Show - 10 Minutes - Host DJ Veronica Finnan
Veronica discussed the influence of AI and social media platforms like TikTok on the music industry, highlighting their implications for copyright, creativity, and industry dynamics.

ISSUE: COMMUNITY ACTIVISM

1/5/24 - 6:30 PM - Paint It Red - 10 Minutes - Host DJ Logan Ellis
Logan explored community activism regarding the installation of a pickleball center along the Saluda River near the zoo in Columbia, South Carolina.

1/11/24 - 7:15 PM - The Garden - 5 Minutes - Host DJs Aubrey Ayres & Bryanna Raymond
Aubrey & Bryanna highlighted local music shows happening in Columbia, including performances at venues like NBT and discussions on community support for local musicians.

1/13/24 - 11:00 AM - Holla If Ya Hear Me - 10 Minutes - Host DJ Ebony Robinson
Ebony recognized the activism of Josephine Wright, who fought to save her land from developers in Hilton Head, acknowledging her impact on local community preservation efforts.

1/15/24 - 11:00 AM - Backbeat Show - 10 Minutes - Host DJ Rick Wrigley
Rick discussed local activism through an upcoming USC Podcast about WUSC, showcasing student-driven initiatives within the Columbia community.

1/18/24 - 7:45 PM - The Garden - 10 Minutes - Host DJs Aubrey Ayres & Bryanna Raymond
Aubrey & Bryanna outlined local music events at venues like Commie House and The Spaze while discussing Columbia's connection to the Super Bowl halftime show performers.

1/24/24 - 4:00 PM - Small Hour Stall - 15 Minutes - Host DJ Gabe Christie
Gabe explored the intersection of fashion and activism through discussions on Alexander McQueen's exhibit at the Columbia Museum of Art.

2/1/24 - 12:00 AM - Midnight Snacks - 10 Minutes - Host DJ Tara McGee
Tara raised awareness of local history and environmental activism by discussing the historical significance of Congaree National Park, including its ties to runaway slaves and conservation efforts.

2/6/24 - 6:30 PM - The Waiting Room - 10 Minutes - Host DJ Amanda Petty
Amanda addressed community concerns about urban heat islands in Columbia, proposing solutions like tree planting to mitigate heat effects and promote environmental activism.

2/8/24 - 5:00 PM - Koger Center Artist Spotlight - 45 Minutes - Host DJ Nate Terracio

Nate interviewed local artist Danielle Howle and highlighted community events in the greater Columbia area, fostering cultural activism and engagement.

2/17/24 - 10:15 AM - Holla If Ya Hear Me - 10 Minutes - Host DJ Ebony Robinson
Ebony celebrated community pride as the USC Gamecock Women's Basketball team achieved significant wins, highlighting local sports activism and achievements.

2/19/24 - 12:30 AM - The Kitchen Sink - 5 Minutes - Host DJ McKenna Justice
McKenna educated listeners on South Carolina's natural environment and conservation efforts, promoting environmental activism and appreciation for local biodiversity.

2/24/24 - 11:00 AM - Holla If Ya Hear Me - 10 Minutes - Host DJ Ebony Robinson
Ebony acknowledged local sports achievements as the USC Gamecock Women's Basketball team clinched the SEC regular season championship, showcasing community pride and support.

2/25/24 - 9:00 AM - Eclectic Selections - 45 Minutes - Host DJ J'Lyn Williams
J'Lyn shared experiences and insights from The Daily Gamecock, illustrating student activism and journalism within the Columbia community.

3/20/24 - 10:15 PM - The Tide - 10 Minutes - Host DJs Abby Litz & Stephanie Young
Abby & Stephanie explored local history, including geological features and cultural artifacts, fostering community engagement and appreciation for South Carolina's heritage.

3/28/24 - 1:00 AM - Stargazing Blues - 5 Minutes - Host DJs Shriya Gandham & Anuska Sharma
Shriya & Anuska promoted community events like WUSC's fundraiser week and the Hidden City Festival, showcasing local talent and fostering cultural activism through music.

ISSUE: ENVIRONMENT, SUSTAINABILITY, & SCIENCE

1/12/24 - 6:00 PM - DTACK Grounded - 20 Minutes - Host DJ Alex Anderson-McLeod
Alex covered recent events at SpaceX's Starbase facility and delved into computer hardware history, touching on the Motorola 68000 processor and Apple Lisa computer architecture.

1/14/24 - 7:15 PM - Starlight Radio - 10 Minutes - Host DJ River Harper
River provided recycling tips and discussed the importance of proper recycling practices, addressing contamination issues and promoting sustainability.

1/15/24 - 7:00 PM - Rustic Radio - 10 Minutes - Host DJs Rachael Lanning & Rachel Gulczinski
Rachael & Rachel explored anatomical topics such as carpal and tarsal bones, contributing to understanding human biology and anatomy within the context of sustainability.

1/17/24 - 10:15 PM - The Tide - 5 Minutes - Host DJs Abby Litz & Stephanie Young
Abby & Stephanie examined the botanical classification of coconuts and demonstrated practical knowledge on opening coconuts, linking to discussions on natural resources and environmental sustainability.

1/18/24 - 11:45 AM - My Chemical Rave - 10 Minutes - Host DJ Maddie Zediker
Maddie shared insights on shark teeth hunting on Tybee Island, connecting to marine biology and environmental conservation efforts.

1/18/24 - 10:00 PM - Totally A Vibe Show - 5 Minutes - Host DJ CJ Rosenberger
CJ dispelled myths about electric eels and eel anatomy, offering scientific insights and fostering environmental awareness.

1/22/24 - 1:00 AM - The Ratsnest - 15 Minutes - Host DJ Zachary Cook
Zachary explored foraging and natural remedies, discussing topics like mushroom identification and the creation of homemade cough syrup, highlighting connections to environmental sustainability and natural living.

1/26/24 - 6:00 PM - DTACK Grounded - 20 Minutes - Host DJ Alex Anderson-McLeod
Alex analyzed the historical and technological aspects of Apple's Lisa computer, contributing to understanding computer science and technological innovation within sustainability contexts.

1/29/24 - 2:15 PM - Unlimited BreadHits - 5 Minutes - Host DJ Arden Riley
Arden defined scientific terms like 'entropy' in the context of music, fostering scientific literacy and interdisciplinary understanding.

2/2/24 - 6:30 PM - DTACK Grounded - 20 Minutes - Host DJ Alex Anderson-McLeod
Alex explored the science behind MRI machines and quantum dots, connecting to medical technology and scientific advancements.

2/9/24 - 1:15 PM - Apocrypha - 10 Minutes - Host DJ Peyton Quathamier
Peyton introduced quantum dots and their applications, contributing to understanding nanotechnology and its potential in sustainable technologies.

2/12/24 - 1:15 AM - The Ratsnest - 10 Minutes - Host DJ Zachary Cook
Zachary raised awareness of nitrous oxide emissions and suggested mitigation strategies, linking to environmental science and climate change activism.

2/16/24 - 8:45 AM - Morning Coffee - 10 Minutes - Host DJs Victoria Iacobucci & Sun Heslin

Victoria & Sun discussed the science of painting techniques and materials, highlighting connections between art and natural pigments.

2/21/24 - 5:45 PM - The Dark Night - 5 Minutes - Host DJ Robin Hill

Robin explored physics concepts related to magnetic fields and angular velocity, fostering scientific understanding and critical thinking skills.

2/23/24 - 1:00 PM - The Arcaneum - 10 Minutes - Host DJ Peyton Quathamer

Peyton investigated the unique properties of blood flow in different vessel sizes, contributing to understanding human physiology and biomechanics.

2/23/24 - 6:00 PM - DTACK Grounded - 20 Minutes - Host DJ Alex Anderson-McLeod

Alex provided updates on SpaceX's Starship program and discussed computer architecture, linking space exploration to technological advancements.

2/26/24 - 1:30 AM - The Ratsnest - 10 Minutes - Host DJ Zachary Cook

Zachary advocated for milkweed conservation and discussed its importance in monarch butterfly habitats, promoting environmental activism and biodiversity awareness.

3/1/24 - 6:30 PM - DTACK Grounded - 20 Minutes - Host DJ Alex Anderson-McLeod

Alex analyzed SpaceX's Starship test flight and delved into computer hardware architecture, fostering understanding of space technology and computer science.

3/14/24 - 10:45 PM - Totally A Vibe Show - 15 Minutes - Host DJ CJ Rosenberger

CJ explored scientific facts about shoebills and celebrated Pi Day, promoting scientific curiosity and awareness.

3/15/24 - 2:15 PM - The Swamp - 10 Minutes - Host DJ Daphne Franklin

Daphne educated listeners on worm grunting and debunked misconceptions, fostering appreciation for biodiversity and ecological science.

3/15/24 - 6:00 PM - DTACK Grounded - 20 Minutes - Host DJ Alex Anderson-McLeod

Alex reported on SpaceX's Starship test flight and discussed technological advancements, linking space exploration to sustainable technology development.

3/17/24 - 6:45 PM - Starlight Radio - 5 Minutes - Host DJ River Harper

River shared tips for bird conservation and discussed seasonal migration patterns, promoting awareness of environmental conservation efforts.

3/21/24 - 1:00 PM - The Milky Way - 10 Minutes - Host DJ Hannah Keen

Hannah explored solar phenomena like solar flares and eclipses, fostering scientific curiosity and understanding of astronomical events.

3/26/24 - 9:30 PM - Chasing Waves - 10 Minutes - Host DJ Genevieve Robinson
Genevieve explored the neuroscience of music and its effects on brain function, fostering understanding of cognitive science and psychological well-being.

ISSUE: HISTORY AND EDUCATION

1/10/24 - 5:00 PM - The Dark Night - 20 Minutes - Host DJs Robin Hill & Elliott Catoe-Griffs
Robin & Elliot explored the musical contributions of the Crutchfield sisters and bands like Neutral Milk Hotel, delving into indie music history and its cultural impact.

1/11/24 - 8:15 AM - Exploding Plastic - 15 Minutes - Host DJ Allie Dunlap
Allie discussed the musical legacy of Andy Warhol's Factory scene and the Velvet Underground, connecting music history with art and cultural movements.

1/16/24 - 7:30 PM - Hard Drive - 10 Minutes - Host DJ Andrew Goad
Andrew explored urban legends surrounding the Catacombs and the enigmatic Third Eye Man, contributing to local history and folklore education.

1/17/24 - 6:15 PM - WHIPLASH - 10 Minutes - Host DJ Isaac Czerniawsky
Issac provided insights into the origins of deathrock and punk music's influence on various genres, fostering understanding of musical subcultures and their historical context.

1/28/24 - 6:15 PM - Starlight Radio - 15 Minutes - Host DJ River Harper
River discussed the contributions of Dmitri Mendeleev beyond the Periodic Table, highlighting his role in Russian chemistry education and scientific literature.

1/30/24 - 1:00 PM - Lake Placid - 20 Minutes - Host DJ Dylan Kunkel
Dylan explored the innovative guitar technique of Elizabeth Cotten and its impact on folk music history, contributing to the preservation of musical legacies.

2/1/24 - 8:30 PM - The Sitcom - 5 Minutes - Host DJ Catherine Roach
Catherine examined geographical concepts like longitude and latitude, exploring the historical significance of the Prime Meridian's establishment.

2/8/24 - 11:30 PM - 90 Seconds To Midnight - 15 Minutes - Host DJ Nathaniel Nguyen
Nathaniel discussed the symbolism of the Doomsday Clock and its historical context, fostering understanding of global historical events and their implications.

2/9/24 - 6:00 PM - DTACK Grounded - 20 Minutes - Host DJ Alex Anderson-McLeod
Alex explained the historical and technical aspects of computer hardware, connecting technological advancements with historical developments.

2/14/24 - 11:15 PM - The Mailbag - 10 Minutes - Host DJs Jakob Torino & John Patrick Durning
Jakob & John highlighted religious traditions like Lent and Ash Wednesday, fostering religious literacy and understanding of theological concepts.

2/17/24 - 10:30 PM - Into the Saucepan - 10 Minutes - Host DJ Hannah James
Hannah expanded on the historical role of German radio in propaganda and the development of music schools, contributing to understanding of cultural history.

2/19/24 - 1:00 AM - The Ratsnest - 10 Minutes - Host DJ Zachary Cook
Zachary delved into the origins and central tenets of Rastafarianism, fostering understanding of religious history and cultural movements.

2/22/24 - 10:15 PM - 90 Seconds to Midnight - 10 Minutes - Host DJ Nathaniel Nguyen
Nathaniel analyzed the complexity of James Joyce's "Finnegans Wake" and its literary significance, promoting appreciation for classic literature and historical context.

2/27/24 - 9:15 PM - It's Not That Serious - 5 Minutes - Host DJs Lily Eppes & Ally Krizka
Lily & Ally shared historical insights on the origins of spring break traditions, fostering cultural awareness and understanding of holiday traditions.

2/29/24 - 12:00 PM - Into the Saucepan - 15 Minutes - Host DJ Hannah James
Hannah explored the historical development of German musical instruments, connecting cultural heritage with musical innovation.

2/29/24 - 10:45 PM - Totally A Vibe Show - 15 Minutes - Host DJ CJ Rosenberger
CJ discussed comparative cultural significance, juxtaposing mythology with modern pop culture references, and fostering understanding of cultural evolution.

3/15/24 - 5:45 PM - The 5 PM Planet - 10 Minutes - Host DJ Neil Capalungan
Neil explained the historical significance of the Ides of March according to Roman calendars, contributing to understanding of ancient historical events.

3/16/24 - 4:45 PM - The Tide - 10 Minutes - Host DJ Abby Litz
Abby shared historical trivia about St. Patrick's Day, fostering cultural awareness and appreciation for holiday traditions.

3/17/24 - 8:00 AM - Down Bad Department - 15 Minutes - Host DJs Ainsley Reed & Josh Evans
Ainsley & Josh educated listeners on the cultural significance of the didgeridoo and celebrated Women's History Month, promoting gender equality and cultural appreciation.

3/26/24 - 1:30 AM - Radium Girls - 10 Minutes - Host DJs Hannah Parker & Amzie Beeler
Hannah & Amzie dissected the impact of poet Carol Ann Duffy on contemporary poetry, fostering awareness of women's contributions to literature.

3/31/24 - 8:15 AM - Down Bad Department - 5 Minutes - Host DJ Ainsley Reed
Ainsley shared historical insights on the origins of Hawaiian pizza, connecting culinary history with cultural traditions.
