C. I- (July 16, 2022) **Host:** Josue Rodriguez **Issue:** Casa Nuevo Leon

**Guest: Polo Guana** – The City of Monterrey Nuevo Leon in Mexico has a need for portable water due to the shortage of water. Not only in that city but also in the whole state. Casa Nuevo Leon a non-profit organization is asking people to help this city and state by buying bottled water to be sent there. They are also asking for clothes, pampers and different things for people of the third world country. The goal is to hopefully come together and unite to help this country and city out of its conditions. A lot of time this kind of news isn't broadcasted to main news channels and people have no idea what's going on unless they have a loved one there or know someone in the city. Therefore we are trying to spread the message to spread awareness of this tragedy.

E- (July 30, 2022) **Host:** Josue Rodriguez **Issue:** **Theme: Genesis House of Shelter**

**Guest: Sara Campos**– Genesis services are designed to help the women and children affected by domestic abuse in our community. Find a safe way to create the abuse-free lives that deserve. Genesis offers emergency shelter for situations of abuse, also counseling services at their outreach office. They provide women with the help and guidance they need the most when they are going through abusive relationships. Often women in these situations aren't aware of all the resources and help they can get to better their lives and help them heal from everything they have gone through. It is all a delicate matter but that is why our mission is to help these ladies out of their abusive relationships because they deserve so much more.
