F. (May 11 /2019) **Host:** Josue Rodriguez **Issue:** Vote Education.

**Guest:** Maria Moreno, with TOP.

Mrs Moreno Talked about There are approximately 3 million low-propensity voters of color in Texas, of which, over 900,000 are concentrated in the three counties where TOP organizes.

TOP's overall strategy is to raise the voices and participation of low to moderate income families, particularly communities of color, in the decision making and electoral process. TOP aim to shift the state so that the priorities advanced through decision-makers in both the public and private arena reflect the actual needs and best interests of the majority of Texans.

Texas children bear the brunt and neighborhoods with a high number of low propensity, registered, minority voters. In these neighborhoods, TOP work to develop community leaders and a base of organized residents to create tangible change in their communities through expanded electoral participation!
