powered by **TIMES LEADER MEDIA GROUP**

January 20, 2021

Dear Local Business Partner:

As we all still navigate through unprecedented times, the Times Leader has taken the lead in developing a virtual career expo for Northeastern Pennsylvania taking place Wednesday, March 24. We know staffing continues to be a need for businesses throughout our community. We hosted our first virtual expo October 21, 2020 with success. We are sharing some of the results enclosed in this package.

We will host the NEPA Virtual Career Expo that you are invited to access from the comfort of your home or office. No in-person contact is needed. Our platform offers a wide range of capabilities, but is simple enough to navigate for those who will be first time users. Our team will guide you through full set up.

The Times Leader's expo will match interviewers with qualified candidates, allow for appointments and offer "drop-in" rooms so attendees and recruiters can connect informally during this daylong event. You can make your own schedule.

This is a dynamic opportunity for those looking to hire and those seeking new careers.

As a media property, the Times Leader will promote it through a variety of organic and paid media outlets within the market. Through its owned properties, the Times Leader reaches 145,887* print and e-edition readers (Scarborough Nielsen Media Research) per week, as well as 292,431* timesleader.com users (Google Analytics).

Our hope is that you find new hires to positively contribute to your organization's workforce and culture while gauging what current job seekers are asking and pursuing.

Should you have any questions about participating, please let us know.

Sincerely,

Times Leader Media Group Team
