Dear Mr. Kersting:

We have completed our review of the response of Radio License Holding CBC, LLC, licensee of the above-noted stations, to the February 8, 2017 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required.

In accordance with Section 73.3527(e)(10), if commercial, or Section 73.3527(e)(11), if non-commercial, of the Commission's rules, the licensee must place copies of this letter, our audit letter, and the licensee's audit response in the stations' public inspection files. It must maintain these materials in the files until grant, by final order, of the next renewal application of the license to which the file pertains.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
