

WJPR - “Stuff The Bus” for Parents Supporting Education-Jasper

July 20th, 2023 from 3pm-7pm

Students from 91.7 The Curve broadcasted live from the Jasper public library to help gather school supplies for students in need for the 23-24 school year. Greater Jasper Consolidated Schools provided a school bus for listeners to bring supplies to, and all donations went directly to ‘Parents Supporting Education - Jasper’ for them to distribute as needed.
