Lisa Kay Schweyer, Program Developer for Commute Info.

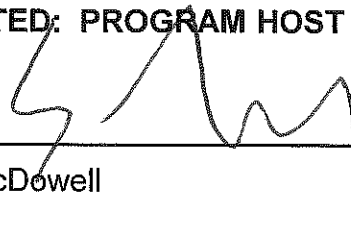

SUBJECTS AND/OR TOPICS COVERED:

"Commute Info" is the regional one-stop shop for ridesharing services. Its coordinated in partnership with transportation management associations, transportation providers, businesses and non-profit service organizations thruout SWPA. The "Commute Info Program" provides resources and information to assist individuals traveling to work or school and it also helps regional employers learn more about commuting options. The Commute Info program is designed to increase the number of people who travel to work or school by riding transit, carpooling, vanpooling or bike pooling. The goal is for commuters living, working or attending school within the 10 county SW PA Commisiion region to choose ride sharing at least twice a aweek.

STATION: **DATE AIRED:** **TIME AIRED:**

STATION PARTICIPANTS: Sean McDowell

GUEST PARTICIPANTS (including affiliations and/or credentials):

Kate Wadsworth, Public Relations and Aftercare Maanager

SUBJECTS AND/OR TOPICS COVERED:

The Light of Life Rescue Mission has been in Pittsburgh since 1952, providing a home for the homeless and food for the hungry, also building disciples for the Kingdom of God among the poor, addicted, abused and needy. Light of Life is there to provide healing, hope and resources. At the Light of Life rescue Mission, the Emergency Shelter is where some 22 homeless men can spend the night in a safe place, its open 365 days a year. The men receive a morning and evening meal, they can bathe, they get clean clothing, the chapel services are every day, and also at the Emergency Shelter, the opportunity is there for homeless, struggling men to involve themselves in case management.

COMMUNITY ISSUES PROGRAMMING REPORT

ISSUE CATEGORY: Highmark Walk for a healthy Community 2018 1-28-2018

HOW WAS ISSUE ASCERTAINED: 16th year for this event

SERIES OR PROGRAM TITLE: "Pittsburgh Sunday Morning"

SOURCE OF PROGRAMMING:

PROGRAM LENGTH: 30 MIN **LENGTH DEVOTED TO THIS ISSUE:** 30 min.

STATION: ALL **DATE AIRED:** 1-28-2018 **TIME AIRED:** 7am

STATION: **DATE AIRED:** **TIME AIRED:**

STATION: **DATE AIRED:** **TIME AIRED:**

STATION PARTICIPANTS: Sean McDowell

GUEST PARTICIPANTS (including affiliations and/or credentials):

Brandon Berns , Maria Anderson, SR. Community Affairs Analysts, Highmark

SUBJECTS AND/OR TOPICS COVERED:

The 16th annual Highmark Walk for a Healthy Community is Saturday May 12th, benefitting this year 80 local non-profits, who otherwise would have to organize their own fundraising event. Highmark underwrites everything in the Walk for a Healthy Community, like the walk website, registration software, advertising and all of the day-of logistics. For many local smaller non-profits, this may be their biggest fundraising event of the year, as financially, many smaller nonprofits can't afford to spend time or manpower putting together their own fundraising event, especially one of this magnitude. People can participate by becoming a "virtual" walker, and walk routes are both wheelchair and stroller accessible.

GUEST PARTICIPANTS (including affiliations and/or credentials):
Bonny Diver, founder of Hair Peace Charities

SUBJECTS AND/OR TOPICS COVERED:

Bonny Diver, a breast cancer survivor and radio broadcaster for 30+ years here in the Pittsburgh market, started her own charity Hair Peace Charities back in 2004. Hair Peace provides a \$150 stipend towards the purchase of a new wig, for women who are about to, or have already started losing their hair because of chemotherapy. Most insurance companies don't pick up the cost of a wig for hair loss due to medical treatment. Bonny's signature fundraising event every March is the Recipe for Hope, where local TV and Radio celebrities gather, along with local top-notch Pittsburgh restaurants, to cook up tremendous food for everyone attending, as a show of support for Hair Peace Charities.

STATION PARTICIPANTS: Sean McDowell

GUEST PARTICIPANTS (including affiliations and/or credentials):

Elissa Scalise Powell, Western PA genealogical researcher for 25+ years, regional & national genealogical speaker. Ray Jones, PhD, Professor at Pitts's Katz Business School, Ray teaches DNA & Genetic Research.

SUBJECTS AND/OR TOPICS COVERED:

The North Hills Genealogists are there to help and to educate the beginner and the intermediate genealogist, those who would like to know more about their ancestry, where to get started, how to get moving, what to focus on, all very important stuff when you're starting a genealogical search. Anyone interested in learning more about their ancestry should be aware that this isn't a 1-2-3 step process, if you're serious about doing a family-tree search, you must be able to committ time and effort. The Annual NHG Spring Conference will happen on Friday and Saturday March 23rd & 24th, topics to be covered will include: "You've got the names, now find the people! Facts about ancestors found in federal records." "Only a few bones, Case studies in assembling sources to reconstruct real-life events." "Discovering your ancestors world through maps and gazeteers." " Passemger Arrival records, Colonial Times to mid-20th century." Genealogical beginners discover immediately the "brick walls" that pop up at every turn when launching a search!

STATION PARTICIPANTS: Sean McDowell

GUEST PARTICIPANTS (including affiliations and/or credentials):

Gary Stark, kidney transplant survivor, Lynne Turnquist, caregiver to a double lung transplant survivor, Katelyn Metz of CORE, Center for Organ Recovery & Education

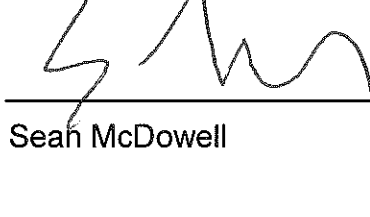

SUBJECTS AND/OR TOPICS COVERED:

The 2018 Donate Life Transplant Games of America will happen in Salt lake City Utah in early August. There are currently about 115,000 men, women and children waiting for life-saving organ transplants in the USA. Every day some 20 people die waiting for an organ transplant, and by donating your organs and tissues upon your own death, one individual can help up to 8 people, and tissue donors can save or improve the lives of up to 75 people. The heart, kidney, pancreas, lungs, liver and intestines can all be transplanted as life-saving organs. Tissues such as bones, ligaments and tendons are needed for vital surgical procedures to repair injured or diseased joints and bones. Corneas, heart valves and skin are also able to be donated. Every year between 10K and 12K people die who are considered medically suitable for organ, tissue and cornea donation, but only a fraction of those folks are actually organ donors. If you're an organ donor you can help to provide the "gift of life" for many people. The mission of the Transplant games of America is to spread the message about the importance of organ donation and the "gift of life."
