<b>Election made</b>	retransmission consent*	

\*Pursuant to 47 USC § 325(b)(3)(B), 47 CFR 76.64(f)(2), and 47 CFR 76.64(k), Broadcaster elects, for the remainder of the current election period, to assert its right, under 47 USC § 325(b)(1)(A) and 47 CFR 76.64(a), to have the broadcast signal of each Station carried on cable systems only if we have provided our express written consent. This election applies to each system identified in your letter and any other cable or other qualifying multichannel video programming distribution system that you own, operate, or manage. This election is not intended to affect any retransmission consent or other agreements that Broadcaster (or any related companies) may currently have in place with you.

We look forward to discussing your retransmission of each Station's signal and related matters with you in the near future. In that regard, our contact person for carriage related information for each Station is as noted in the table above.

Warmly,
