Re: Public Awareness / Quarterly Issues

In the period from January 1, 2023 through March 31, 2023, radio stations KLVV/KGVV/KTST-HD2 addressed several issues of public concern. Numerous public service announcements were made on behalf of various local non-profit organizations and churches. In the month of January, we partnered with Seekers Church and helped sponsor a very special Jason Gray concert just for recovering addicts in Oklahoma City. Over 200 people attended this concert. We also continued with our Teacher Appreciation contest for the month of January. A teacher from Arkansas City, Kansas was randomly selected as our winner. They received a special house merchandise prize bag along with a \$100 Mardel giftcard. In February, we partnered with the Wichita Thunder Hockey team for a Faith & Family Night. Listeners of the station were eligible to win free tickets to the Faith & Family Night by calling into Kevin and Amy's Morning show, entering into our text giveaway, or by commenting on our social media page. One lucky winner also was selected to win a customized House hockey jersey along with some cool House FM merchandise. Our ministry partner for the month of February was Branch 15. We helped spread awareness of this ministry on air and on social media to the communities around us. In March, we kicked off our annual Spring Fundraiser to raise the funds necessary to help meet our 2023 non-profit budget. We partnered with The Homeless Alliance during our Spring Fundraiser and with the help of our donors, we were able to donate almost 1,000 meals to help feed the homeless in Oklahoma City. Also in the month of March, we had a social media contest called "Music of March" where listeners went to our Facebook and Instagram page and voted for their favorite artist/band. There were 32 Christian artists listed to vote for and listeners took advantage of this contest. We had over 3,000 votes for this contest. Our team went to several different outreach and promotional events this month in many different parts of the state. Those events included Winter Jam in Oklahoma City/Tulsa/Wichita, Casting Crowns and We Are Messengers concert in Enid, Matthew West concert in Bethany, Toby Mac concert in Tulsa, Women of Compassion an Oklahoma Baptist Homes for Children event in Oklahoma City, and OKC Dream Center Gala in Oklahoma City. The House of Praise also passed along public information on severe and inclement weather. And, on the attached sheets, other issues are listed which were broadcast on the programs "Focus on the Family" and "Breakpoint". "Focus on the Family" airs each weekday morning at 3-3:30am; 6-6:30am; 9-9:30am; 6-6:30pm; and Saturdays from 9-10am. "Breakpoint" airs each weekday morning at 6:55am and 9:55am.

Title Reaching Across Cultural Divides I-II
Length 26 minutes
Description Racial disharmony is tearing communities apart, both inside and outside the Church. But Jesus is the great reconciler, and we too are called by God to build bridges, cross cultural lines, and model diversity in every area of our lives. Dr. David Ireland, pastor of a multi-ethnic church and diversity consultant to the NBA, shares stories from his own life about how he was persecuted and how God redeemed that to give him a heart for reconciliation. He also shares stories from his church about formerly racist people forgiving each other, and he talks about how prejudice within the church is not always about race. He explains how to allow personal change and let go of prejudice, how to have healthy cross-cultural friendships and how to facilitate authentic reconciliation.

Date 1/27/2023
Title Investing in Your Child for the Teen Years
Length 25 minutes
Description Adolescence. The word strikes fear in many parents. But children can thrive in that turbulent time with your support and guidance. A panel of parents join with Jim Daly and John Fuller to discuss preparing their children for the teen years and adulthood, providing a biblical perspective on sexuality, peer relationships and technology.

Date 2/02/2023 & 2/3/2023
Title Investigating the Eyewitness Accounts of Jesus Christ I-II
Length 56 minutes
Description In his previous broadcast, J. Warner Wallace presented a powerful message about the life and influence of Jesus as the most significant "person of interest" in history – based solely on evidence outside the Bible. In this new interview, he will share how he used his investigative skills to rigorously test the Gospels by examining the reliability of witnesses, circumstantial evidence, forensic statement analysis, and presumptions and conspiracy theories. Through his own faith journey and the context of his police-work

analogies, Wallace will provide a compelling evangelistic message that will challenge nonbelievers and inspire Christians to be bolder in their faith.

Title	Hope and Encouragement for Moms
Length	27 Minutes
Description	Motherhood is rewarding, but it can certainly have its challenges. And sometimes, you just need to step back, close your eyes, say a little prayer, and take a breath. On this one-day Focus on the Family broadcast, Kirsten Watson offers encouragement for moms in the trenches. Her husband left his prestigious career behind to care for her full-time. It was a decision that had been made in his heart, years earlier, when he vowed "in sickness or in health." Hear the lessons Robertson McQuilkin learned about true love as he provided full-time care for Muriel for over a decade.
Date	03/15/2023
Title	Trusting God that Hope is on the Way
