Re: Public Awareness / Quarterly Issues

In the period from October 1, 2023 through December 31, 2023, radio stations KLVV/KGVV/KTSTHD2 addressed several issues of public concern. Numerous public service announcements were made on behalf of various local non-profit organizations and churches. In the month of October, we had our annual "Minister Appreciation" contest. Listeners had the opportunity to nominate their minister to win the grand prize of a five night stay at an airbnb in Arkansas provided by Double Honors Ministry. One weekly winner was chosen to win an amazon prize pack. This contest was promoted on air and on our social media platforms. We had over 340 minister appreciation submissions. Also in the month of October, our Promotions team attended over ten community fall festival events and concerts happening around our listening areas. In November, we partnered with the Salvation Army for our annual "Feed a Family" event. Staff and Salvation Army reps went to seven different cities around Oklahoma and Kansas to gather donated turkeys. Anyone who donated a turkey received a House FM t-shirt and was also registered to win tickets to a Zach Williams Concert. A total of 187 turkeys were donated in person and 100 turkeys donated online. These turkeys were given to the local Salvation Army to help families in the community who were in need of a turkey for the holidays. At the end of November, we hosted a two day fundraiser to help finish out the end of year strong. As part of the fundraiser, we connected with the Regional Food Banks in Oklahoma and Kansas to help feed families that were in need. Thanks to our support of our listeners, over 400 meals were donated to help feed a family for a week through our partnership. In December, we had a "Home for Christmas" promotion that was promoted on air and on our social media platforms. Listeners were able to call in to the morning show or use our mobile app to share their story on who they wanted to bring home for Christmas this year. We had over 10 entries for this contest. This contest was sponsored by local banks and businesses in our listening area. Because of our sponsors, four families were able to be together for Christmas this year. The House of Praise also passed along public information on severe and inclement weather. And, on the attached sheets, other issues are listed which were broadcast on the programs "Focus on the Family" and "Breakpoint". "Focus on the Family" airs each weekday morning at 3-3:30am; 6-6:30am; 9-9:30am; 6-6:30pm; and Saturdays from 9-10am. "Breakpoint" airs each weekday morning at 6:55am and 9:55am.

Title Your Marriage Can Win the Battle Against Pornography I-II

Length 56 minutes

Description Pornography is a pervasive evil that is toxic to marriages. Research shows that 55% of Christian men look at porn at least monthly, and 1 in 10 view porn at least daily. Mark Makinney points out this is inherently a sin problem, and he describes how viewing porn will hijack your brain. Mark and his wife Rosie also list warning signs that your spouse could be addicted to porn, and then share their own story of Mark's 25-year addiction and how it impacted their marriage. Rosie describes how, during their recovery process, God enabled her to have hope for the future of their relationship. On day 2, the Makinneys review the different steps needed for the recovery process – disclosure, an impact letter, counseling and accountability, and the need for a safety plan in case the porn addict relapses.

Title When God Gives You the Family You Never Expected I-II

Joined by Jean Daly, sharing from their own experiences, they describe some of the common challenges of foster parenting, such as feeling overwhelmed, not knowing how past trauma affects behaviors today, loving children and giving them back to their bio parents, dealing with extra stress in your marriage and family and being stretched out of your comfort zone.
