Finally, just weeks ago, in April of 2023, Michael’s second wife, Sheila Keen-Warren, pled guilty

Authorities searched for the father and airman who survived five tours of duty in the Middle East. Do No Harm

On the surface, Robert Bierenbaum seemed to have it all – he was a surgeon, a skilled skier, a gourmet chef, fluent in multiple languages, and an expert pilot. But just like "Jekyll and Hyde," he

had a much darker side lurking underneath. He was a violent and controlling abuser, and his wife, Gail Katz-Bierenbaum, confided in friends she was afraid of him. Although authorities suspected him in Katz-Bierenbaum's 1985 disappearance from their Upper East Side apartment, insufficient physical evidence allowed him to evade charges for 14 years. He used that time to carefully craft a new life across the country until prosecutors discovered a doctored flight log from the day Katz-Bierenbaum vanished, and his lies finally caught up with him. With reporting by ABC News correspondent John Quiñones, "20/20" features interviews with women romantically involved with Bierenbaum after he left New York City; an exclusive interview with Barb Cooper, the nanny for Bierenbaum's child with his second wife; a new interview with Alayne Katz, Katz-Bierenbaum's sister; and Denise Kastenbaum, Katz-Bierenbaum's closest childhood friend. Other interviews include Daniel Bibb and Steve Saracco, the original prosecutors; Virgilio Dalsass, the missing persons police officer who was the first on the case; and Judge Leslie Crocker Synder, who sentenced Bierenbaum to 20 years to life in prison. "20/20" also features rare home videos of Katz-Bierenbaum and never-before-seen photos of Bierenbaum.

The Freedom to Exist – A Soul of a Nation Presentation

This special will take an in-depth look at the transgender community and features a broadcast exclusive interview with Oscar®-nominated actor Elliot Page, who bravely came out as transgender in 2020 and was the first openly trans man to appear on the cover of TIME Magazine. With the release of his new book, “Pageboy: A Memoir,” Page discusses his difficult journey to standing in his truth and how he hopes to champion inclusivity in Hollywood. The conversation, which includes audio excerpts from his memoir, also unpacks sexuality and gender identity. The special will report on the state-wide bans across the country and how they are impacting families and conversations in schools; access to books; the banning or restricting drag queens from performing; and gender-affirming care. The special will also cover the LGBTQ+ community and allies, including State Sen. Karen Berg (D-Ky.), who lost her trans son late last year, and those working to protect rights.

Superstar: Aaliyah

R&B icon Aaliyah — who helped redefine the genre with her unique mix of old school and new school sound — continues to inspire and influence music, fashion and culture decades after her untimely death in an August 2001 plane crash. This one-hour special follows the legendary artist’s life, music and enduring legacy. The primetime event explores how Aaliyah emerged as a chart-topping musician, actress on the rise and fashion trendsetter as a young teenager. The program sheds light on the circumstances of her underage marriage to R. Kelly, who has since been convicted as a sex offender, and shows how Aaliyah’s relevance continues as a new generation experiences her music decades later.
