

RADIO STATION KNAL-FM, PORT LAVACA, TEXAS
QUARTERLY ISSUES/PROGRAMS LIST
3rd QUARTER - 2023

Listed below are some of the significant issues responded to by Radio Station KNAL-FM, along with the most significant programming treatment of those issues for the period July 1, 2023 to September 30, 2023. The listing is by no means exhaustive or all-inclusive. These issues were in part ascertained through discussions with service-providers and general interaction of station staff with the community, and staff knowledge of the community and area occurrences. The order in which the issues appear does not reflect any particular priority.

The following issues were principal topics or themes within the station's weekly public affairs program, "Issues Today" (IT), which is broadcast on Sunday Mornings at 7:30am. Each program has a normal running time (or length) in the range of 29 to 30 minutes. Each program is usually in two or three parts, each dealing with separate topics and issues.

Veterans/Health – 7/02/23 – IT – Interview with Dr. Michael Kiley, National Program Director of Oncology at the U.S. Dept. of Veterans Affairs. He detailed the VA's cancer treatment programs for veterans as well as new cancer research.
