

**WDCE – QUARTERLY ISSUES PROGRAMS LIST: July 1 – September 30, 2023**  
**(prepared October 2023)**

---

I. Issues

WDCE airs public service announcements (PSAs), typically recorded but sometimes read aloud, hourly while on air. These PSAs run usually at :15 and :45 each hour, mostly between the hours of 9am and 7pm on weekdays (although not exclusively) and cover a wide range of issues. During this quarter, the following five public issues were the most-publicized through these PSAs:

**Alzheimer's Awareness**

**Fatherhood Involvement**

**Nature Discovery**

**Saving For Retirement**

**Texting and Driving Prevention**

II. Responsive Programs

Between regular shows, WDCE uses an automation system, which runs while a live DJ is not on air. Listed below are the times when PSAs on the five issues above were broadcast through the automation system during the three months of the quarter. Note that these are not the only times these issues were dealt with, as many live DJs still aired PSAs relating to these issues.
