MARRIAGE & FAMILY ISSUES
A sampling of programs from the 1st Quarter 2022

Air Date	Program	Subject
January 19, 2022	Family Life Blended (1 min. program – airs @ approx. 9:35 pm M-F)	Host Ron Deal says, “Never ask your child to become a spy kid.” If you have children living between two homes don’t ask your child to be a spy for you. Questions like, “is your dad still dating that woman,” or “how can she afford to give that to you?” put your child into a loyalty bind that makes them feel guilty for loving people. It hurts your child. So instead give your kids your permission for them to love others. It won’t take anything away from you but it’s a huge blessing to them.
January 28, 2022	“	Host Ron Deal shares the story of Dan, a widower who had fallen in love again. At first his 29-year-old son’s response was positive but then he got angry and resentful. Not all adult children feel this way but it’s not uncommon. A parent in this situation needs to stay connected with the child. This transition is harder for them so be patient. Some will need time and attention while others need to be let go of.

February 16, 2022	“	Ron tells the story he’s heard before: “My children now have a stepparent in the other home and I’m afraid I’m going to lose them. What do I do?” Her children now have a stepmother and she’s concerned that it will take away from her relationship with them. No matter how fond your child becomes of a stepparent you will never lose your significance in their heart. Your bond cannot be replaced. Give them permission and encouragement to like, love, and obey the stepparent. It takes nothing away from you, but it blesses them.
February 24, 2022	“	Host Ron Deal discusses how long you should wait to start dating again after a divorce.
March 17, 2022	“	Host Ron Deal offers the advice not to sacrifice relationship with your child by being on your device too much. To avoid distraction, set your phone down. Be intentional about being available.

February 24, 2022	“	Host Joni Eareckson Tada encourages listeners that when you’re going through hardships, nothing is better than having a brother or sister in the faith walk alongside you. You are not meant to suffer alone! If you are struggling, reach out to someone in your church.

February 28, 2022	“	Host Joni Eareckson Tada discusses how March is Wheelchair Collection Month at their ministry! Then your chair will travel overseas to bless a child or adult with a disability.
March 24, 2022	“	Joni Eareckson Tada discusses how in times of war, it is always the weak and vulnerable who suffer the most. The team at Joni and Friends is working hard in Ukraine to go out in the streets and find the disabled and bring them to safety.
