Dear Affiliate:

This letter is intended to assist you in satisfying your obligations under the Children’s Television Act of 1990 (the “CTA”) and the FCC regulations relating thereto in connection with your carriage of our video programming services (the “Discovery Networks”).

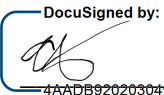

The attached schedule lists the Discovery Networks that aired children’s programs (as defined in the CTA) last quarter and identifies the children’s programs aired on each such network. The schedule excludes all networks distributed by Discovery that did not air children’s programs last quarter (Discovery Channel, TLC, Animal Planet, Investigation Discovery, Destination America, Science, American Heroes Channel (formerly Military Channel), Discovery En Español, Discovery Life Channel (formerly Discovery Fit and Health) and MotorTrend (formerly Velocity)).

This is in compliance with the CTA and the rules and regulations of the FCC.

We trust that this enables you to satisfy your obligations under the CTA and its regulations in connection with your carriage of the Discovery Networks. Please forward this letter (or copies) to any other appropriate individual(s) in your organization. As always, we appreciate your support.

Sincerely,

## **CHILDREN'S PROGRAMMING CERTIFICATION**

**4<sup>th</sup> Quarter (October 1<sup>st</sup> to December 31<sup>st</sup> 2020)**

This is to certify that the list set forth below identifies all programs and series aired by **TVE Internacional** during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by **TVE** as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.

\* “The Children’s Television Programming Rules Order, FCC 19-67 (released July 12, 2019), deleted the obligation for station’s that multicast to air three (3) hours of digital Children’s CORE programming for each multicast channel. The primary signal of a station may complete its Children’s CORE obligation by airing either (i) three (3) hours per week (as averaged over a six-month period) of CORE Programming, or (ii) 156 hours of CORE Programming annually, including at least 26 hours per quarter of regularly scheduled weekly programming of at least 30 minutes in length and up to 52 hours annually of CORE Programs of at least 30 minutes in length that are not aired on a regularly scheduled weekly basis, such as educational specials and regularly scheduled non-weekly programming, and/or other non-regularly scheduled programming and short-form programming, such as PSAs and interstitials. In retaining the existing three (3) hour per week (on average) requirement the FCC also expanded CORE Programming hours to be between 6 a.m. to 10 p.m. local time, and allows stations to also air thirteen (13) hours per quarter of the regularly scheduled weekly CORE programming on a multicast stream. Accordingly, stations need to air at least two-thirds of their total annual CORE Programming hours (i.e., 104 hours) on their primary streams and no more than one-third of their total CORE Programming (i.e., 52 hours) hours on a multicast stream. All Core Programming that is not regularly scheduled weekly programming must be aired on a station’s primary stream. Further, TBN’s multicast channels Enlace (a Spanish language service), and Hillsong also provide additional Children’s Programming.

I, Toni Millner, in my capacity as Associate General Counsel and Vice President – Kid Vid Compliance for Cartoon Network, hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from October 1, 2020 to December 31, 2020:

- 2) Cartoon Network treated all of the programs telecast on Cartoon Network, a leading ad-supported cable television network, as "children's programming" for the purposes of the commercial limits set forth in the Act except for its telecast in the "Adult Swim" block of programming created for an adult audience that airs late night seven days a week.\*\* On a weekly basis, therefore, approximately 105 hours of television programming were treated as "children's programming" for the purposes of the commercial limits set forth in the Act.
- 3) Cartoon Network has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) During this period, there was one incident in which the amount of commercial matter in children's programming exceeded the statutory limits by approximately 15 seconds. Details of the commercial "overage" that occurred as a result of human error on Tuesday, December 15, 2020, are in Exhibit 1.
- 5) Cartoon Network regrets this incident that happened in the midst of corporate reorganization and layoffs. We urge that this incident be viewed in the context of the large amount of children's programming that Cartoon Network had telecast during this period and throughout the year in compliance with the KidVid rules.

\* "Children's programming" for the purposes of the commercial limit means "programs originally produced and broadcast primarily for an audience of children 12 years and under."

\*\*During this period, the "Adult Swim" block of programming aired from 9 p.m. to 6 a.m., 7 nights a week with the following exceptions. Adult Swim started at approximately 9:30 p.m. on 12/20/20 after a longer theatrical movie was telecast and started at 8 p.m. on 12/28/20 – 12/31/20. The Adult Swim block contains television ratings and warnings to notify and remind viewers that the content is intended for an adult audience and is not considered "children's programming" subject to the commercial limits set forth in the Act.

**Exhibit 1**

On Tuesday, December 15, 2020, an employee working within our Broadcast Operations Center (“BOC”) made a mistake that resulted in a 15-second time overage in the commercial time limits on Cartoon Network between the hour of 10 a.m. to 11 a.m.

The BOC made a mistake improperly editing an “on-air” play list. An extra 15-second commercial that was not on the pre-approved schedule was added at 10:29:06 a.m. As a result of this human error and additional commercial, Cartoon Network inadvertently increased the amount of commercials to 12 minutes and 15 seconds within the hour.

Cartoon Network understands and appreciates the importance of the KidVid rules and procedures and provides compliance training materials to all BOC employees, but the BOC operator (who is no longer employed by the company in connection with a corporate reorganization) simply made a mistake under the circumstances.

**Re: Certificates of Compliance for the Children's Television Act of 1990**

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 1st Quarter 2020. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

**For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:**

- 1. Go to the Turner Resources web site at [www.TurnerResources.com](http://www.TurnerResources.com). [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage go to "Technical" and scroll down to "Compliance Notices." You can download the Q1 – 2020 certificates by clicking on Kid Vid Certificates and following the prompts.**

If you have any questions, please contact me at (404) 575-9724 or e-mail [barbara.debuys@turner.com](mailto:barbara.debuys@turner.com). Thank you for your continued carriage of the Turner networks.

Kindest regards,
