Section B: Special and Non-Broadcast Events

1- Parade Of Lights (Special Event)

In November KNDK Radio/Simmons Multimedia Stations in conjunction with the Langdon Chamber of Commerce promote the Parade of Lights. Area businesses, civic groups and organizations decorate floats with Christmas lights and follow a parade route through the downtown Langdon shopping district. In addition to promoting the event on air and via our stations websites and social media, the stations also broadcast from the parade.

2- Sports Guide (non-broadcast)

The Fall & Winter Sports Guide is a print publication produced by KNDK Inc./Simmons Multimedia which features each of the high school sports teams (pictures, stats, season schedules) within our coverage area. Some 1 thousand are printed, distributed and made available free of charge throughout the region.

3- Community Leader Survey (non-broadcast)

In an effort to help us determine the issues, problems and interests of those living within our coverage area we informally survey a number of community leaders and individuals who have a vested interest in the area.
