

Radio Station KYTZ FM Walhalla, ND

Issues & Programs Exhibit

1st Quarter 2013

Prepared by Bob Simmons

Issues & Programs Outline

Section A: Newscast Overview & Quarterly Issues addressed

1. Langdon Water
2. Canola Production Forecast
3. Elevator Consolidation
4. Winter Weather Issues
5. Chamber of Commerce
6. Economic Development

Section B: Special & Non-Broadcast Events

1. Canola Show & Banquet
2. IBIB Scholarship
3. Christenson Benefit
4. Field Benefit

Section C: Public Service Announcements

1. Exhibit Attached

Section A: Newscast Overview

KY TZ FM Radio produces 4 daily newscasts. Three minute 'morning drive' reports air at 5:57, 6:57, 7:57 and 8:57am.

News Treatments: The nominal length of each of our lead or feature stories described below is between thirty-seconds and two minutes-thirty seconds.

News Cycle: Exclusive stories run in each of the daily local newscasts before being archived. As an example: A local story or feature will air 4 times in the course of a day, once in each newscast. In addition these stories are available to our audience on-demand via our station website for one week from date of first broadcast.

The below stories are representative of the local news content we produce on a daily basis:

1- Langdon Water (City Government)

News Treatments: January 28

Interviewed Langdon City Commission President Chuck Downs.
Downs says the number one priority for 2013 is to get a new water source for Langdon. The biggest challenge will be securing the money.
Downs also says Langdon's 125th anniversary is being celebrated this summer and that's a priority for him too. The celebration will be July fourth through the seventh.

2- Canola Production (Agriculture)

News Treatments: February 6

February sixth: Interviewed international oilseeds analyst John C. Baize.
Baize focuses on canola. Baize says one of the big challenges for canola farmers is finding the money to produce the crop this year. He says canola is getting more expensive to plant and grow. He says some canola growers are considering whether to cut their canola acres and return to growing more wheat and soybeans. He says crop input costs are a major challenge this year.

3- Elevator Consolidation (Economic Development)

News Treatments - March 6

Interviewed the executive director of the North Dakota Grain Dealers Association. Steve Strege says consolidation of elevators is still a major trend in North Dakota. Strege says the driving force is railroads, which like to keep unit load trains together from the point of origin to the shipping ports on the West Coast.

4- Severe Winter Weather

News Treatments - See attached exhibit

Our coverage area came under the influence of severe winter weather several times during first quarter 2013. When severe weather impacts our area our stations depart from regular programming and provide listeners with a steady stream of weather information and related announcements such as delays, school closures, road closures, etc. The below dates correspond to our CAP/EAS logs indicating Winter Storm and Blizzard Warnings that impacted our area.

Start: 01/01/2013

End: 03/31/2013

Section B: Special and Non-Broadcast Events

1- Canola Show & Banquet (Non Broadcast)

In February our stations together with the Northern Canola Growers Association hosted the 16th Annual Canola Show at the Langdon Activity Center and Masonic Hall. The event includes a growers and vendors banquet and culminates with the daylong Canola Trade Show. Hundreds of canola growers attend the banquet and show each year. The event provides networking opportunities for the growers along with the chance to see the latest farming technology and hear experts speaking on a variety of industry topics.

2- IBIB Scholarship (Non Broadcast)

During first quarter our stations as members of the International Broadcasters Idea Bank, promote a \$7500 scholarship opportunity to our listeners. Candidates must be in at least their second year of college and planning on a career in radio broadcasting. See attached exhibit.

3- Christenson Benefit (Special Event)

In early January our stations promoted a benefit fundraiser for a local community member (Betty Christensen) who is battling a life threatening illness. It is our policy as public trustees to use our facilities to help individuals in need. See attached exhibit.

4- Field Benefit (Special Event)

In early January our stations promoted a benefit fundraiser for a local community member (Duane Field) who is battling a life threatening illness. It is our policy as public trustees to use our facilities to help individuals in need. See attached exhibit.

INTERNATIONAL BROADCASTERS' IDEA BANK, Inc. (IBIB)
Radio Scholarship Grant Information

1. One scholarship of \$7,500 will be awarded to a junior or senior (as of September 2013) at a college or university that offers undergraduate training in radio broadcasting related programs, such as radio programming, advertising sales, mass media, or broadcast journalism. Some radio experience is considered as a positive, but is not required. This scholarship is funded by the IBIB, a world-wide group of community-minded radio stations.
2. In order to qualify for the grant, the applicant must meet the following conditions:
 - Is now attending, and is in good standing, a college or university in the United States, Canada, Australia or New Zealand. Freshmen students are not eligible. You must be at least a sophomore as of February 2013. (Dates for Australia and New Zealand may be adjusted.)
 - Select a course of study relating to a career in radio broadcasting.
 - Exhibit grades in previous academic work, which, in the judgment of the IBIB, are adequate to give reasonable assurance of success in earning a degree in a program, outlined above.
 - Supply all of the information requested on the *Official Scholarship Application Form*.
 - Intend to pursue a career in radio broadcasting.
3. Applicants must return forms to: Scholarship Committee, IBIB, PO Box 2448, Danville, VA 24541-0448 USA, postmarked in time to arrive before the deadline (see Rule 4, below). (Street address for UPS/FedEx only: 129 Acorn Lane, Danville, VA 24541) **For items sent by Express Mail, be sure to check the box that indicates NO signature is needed by the recipient. This mail is going to a Post Office box and requiring a signature only delays your entry.**
4. **ABSOLUTE DEADLINE FOR RECEIPT:** All application forms, essays, and transcripts must be *received* by **March 30, 2013**. If all of these are not received by the deadline, the application will not be considered. Please inform your college of this deadline for your transcripts. The winner will be announced May 7, 2013.

I can't begin to thank you enough for the donated airtime for Betty Christanson's Breakfast Benefit.

With your help we were able to raise over \$3,000 for Betty to assist with mounting medical bills. But this benefit was about much more than money. It was a chance for each of us to show a member of the community how much we care and sympathize in her struggle against this terrible disease which has already taken so many from us.

I can tell you by the tears in her eyes that day, she was deeply touched.

Please continue to keep Betty in your thoughts and prayers as she is in the hospital with pneumonia.

Thank You Again

Elizabeth Cluff
Thompson
