Relationships	License to Parent – Trace Embry	4/5/2022/ 8:18 pm	0:01:00	Lots of parents ask how to get their kids to mind and respect them. Parents, we first need to get our kids to understand and agree with what minding and respecting you actually looks like. If he’s defining these things differently than you, then there’s a problem. The Bible should be our time-tested standard for defining everything.
Relationships	License to Parent – Trace Embry	4/12/2022/ 8:47 pm	0:01:00	Working in the field of mental health (and just watching the news recently) I’m convinced that mental illness is now systemic to our culture. But be encouraged. You are not nuts! Our society is, and it’s trying to make your kids nuts too, by prioritizing feelings over facts. But facts don’t care about your feelings. Your kids don’t think the masses could be wrong. But they’re wrong all the time, from slavery to genocide. God’s Word, however, is never wrong.

Relationships	License to Parent – Trace Embry	4/19/2022/ 6:48 pm	0:01:00	<p>Many books have been written about the negative effects of shame. But there is a blurred line between shame and shaming. Too many parents, authors, and mental health professionals have been complicit in this blurring. You don't need to set the stage for shaming. You need to set the stage for imparting moral absolutes into kids. Then despite our culture's shameless condition, the intrinsic and Holy Spirit-inspired emotion of shame will do its own work.</p>
Relationships	License to Parent – Trace Embry	4/26/2022/ 9:21 am	0:01:00	<p>Frogs are disappearing and so are dads. When it comes to understanding the chaos going on in America today, few are addressing the importance of having dads in the home. Is this problem related to the strange disappearance of frogs? As frog experts ponder why frogs are missing, nobody addresses that something has first been eating the tadpoles. You can't have frogs without first having tadpoles. Likewise, solve the 'dad-pole' problem and senseless chaos will eventually diminish.</p>

Relationships	License to Parent – Trace Embry	5/3/2022/ 12:54 pm	0:01:00	<p>Many of life’s parenting foundations are crumbling. One example is when parents cower to their child’s demands. And why wouldn’t they? Their boomer and Gen-X parents groomed them for their own entitlement and narcissism. Truly what one generation does in moderation, the next does in excess. But the older and wiser are supposed to train the younger. Not the other way around.</p>
Relationships	License to Parent – Trace Embry	5/10/2022/ 8:12 am	0:01:00	<p>How much do we need to know about what’s going on in culture? Let’s do a serious gut check. How much has morally depraved entertainment influenced my kids’ thoughts and behaviors? Can God bless a life or a family that’s regularly entertained by things that grieve His heart? Psalm 101:2 says, “I will walk in my house with a blameless heart. I will set no vile thing before my eyes.”</p>
Relationships	License to Parent – Trace Embry	5/17/2022/ 6:42 pm	0:01:00	<p>something to counter the cultures influences. Teaching our kids the foundations in scripture isn’t a guarantee they’ll never rebel, but it does increase the odds. Paraphrasing Psalm 78:4-7, it says this- we’ll tell the next generation about the praiseworthy deeds of the Lord: His power and wonders. And they in turn would tell their generation. Then they would trust in God and not forget His deeds, but would keep His commandments.</p>

Relationships	License to Parent – Trace Embry	5/24/2022/ 12:14 pm	0:01:00	seduction that we've gotten used to. For 35 years Super Bowl halftime shows have been emblematic of how our culture is descending. Marching bands and other family entertainment used to be the focus. But halftimes have gradually descended into soft core porn with hardcore occult style music. And this has become America's new family entertainment. I can assure you God is not
Relationships	License to Parent – Trace Embry	5/31/2022/ 8:15 am	0:01:00	Words have meaning. But what happens when terms are misapplied? Redefining terms and building arguments on false premises is routine today by the media, social media, and public schools. And you need to make your kids aware of this by having regular talks with them about it. Remember the devil is the father of lies and the master of semantics.
Relationships	License to Parent – Trace Embry	6/9/2022/ 2:56 pm	0:01:00	Looking for a good conversation starter with your teen? Ask your kids how they feel about being indoctrinated with social justice everywhere they turn. Ask if there could be financial gain by those in leadership by dividing our nation according to race and ideology. Ask them if they'd like to join a campaign for truth, justice, love, hope, and forgiveness that transcends the one-sided message that so many schools and media outlets are brainwashing them with today.

Biblical Education	Heartbeat - Salvation Army	4/5/2022/ 2:33 am	0:01:00	Picture two apple trees. Both produce sweet-smelling blossoms and grow fruit, but the fruit of one is sweet, while the other, a crabapple, is not. Jesus warned of false prophets and used a parable of good and bad trees saying by their fruit we'll recognize them. Our actions and words are our 'fruit'. Be on guard against 'bad fruit'.

Biblical Education	Our Daily Bread	4/12/2022/ 7:19 am	0:02:00	A dad noticed his son was self-conscious about a birthmark covering his chest, belly and arm, so dad had himself tattooed to match. His love made him choose to make himself 'like' his son. His love reflects God's love for us. Jesus not only became like us, He bore the consequences of our sin by dying in our place. When we struggle, He is able to help - He understands and cares.
Biblical Education	Max Lucado - UpWords	4/19/2022/ 11:47 pm	0:01:00	What would an MRI of your soul show? Regrets? Remorse over poor choices? Confess. Request a spiritual MRI. "Search me, O God and know my heart; try me, and know my anxieties; and see if there is any wicked way in me," (Psalm 139:23-24). Many voices urge you to look within to find strength or hidden power, without God's guidance that just leads to denial or shame, justification or humiliation. We just need a prayer of confession: "God, I've done what you say is wrong. Would you wash away my guilt and make me clean again? "
Biblical Education	Encouraging Word - Susanne Bouchard	4/26/2022/ 9:01 am	0:07:40	Ps 37:18-27 NIV If we draw near to God, He'll draw near to us. This passage is loaded with promises of God. If you're a child of God, in right standing with God, your days are known to the Lord. God has a purpose and plan for your life.

Biblical Education	Worship in the Word - Robert Morris	5/6/2022/ 7:12 am	0:01:00	A few years ago when my daughter was young, we were in the mall one time, I turned around and my daughter was gone! I saw her, took off after her and got her. She was lost, momentarily. She was still my daughter, and she was still the Lord's daughter. You need to know that there are God's kids that walk away sometimes – they're still God's kids.
Biblical Education	Encouraging Word - Susanne Bouchard	5/10/2022/ 9:01 am	0:07:40	Psalm 42:5- 12 Why so downcast O my soul – put your hope in God, for I will yet praise Him. That's the secret key God gave us that we can switch from being downcast, we willfully decide to sing praises to God. Don't surround yourself with negative people, instead, put your hope in God.
Biblical Education	Encouraging Word - Susanne Bouchard	5/17/2022/ 9:02 am	0:07:40	Psalm 45:4-8 It's a messianic psalm & Jesus is the bridegroom. He is full of majesty, truth, He comes in righteousness. When you have God's love you can't help but reach out to those in need around you. He has the scepter of justice. Psalm 45:7 says 'You love righteousness & hate wickedness.' When you start singing praises, whether you feel like it or not, that's a breakthrough that you need. Clean up your life. We have to take authority over evil things that are trying to invade our life.

Biblical Education	Encouraging Word - Susanne Bouchard	5/24/2022/ 9:04 am	0:07:48	<p>Psalm 48 Great is the Lord & worthy of praise. It's part of a trilogy of Psalms 46, 47 and 48; they all have the same theme. Jesus said when we sing praises to Him in one accord, then the Holy Spirit descends down and the presence of God is here. Healing, deliverance, signs and wonders are happening; in the presence of the believers. God is at work to have His bride ready for Jesus, fellowshipping with us. Our body is the temple of the Holy Spirit. He will be our guide even to the end.</p>
Biblical Education	Encouraging Word - Susanne Bouchard	5/31/2022/ 9:04 am	0:07:49	<p>Psalm 50:5 and following. ... "Gather to me my consecrated ones." These are the ones who accept Jesus as their Lord and Savior and they're forgiven and cleansed, and able to receive spiritual things. Jesus was our sacrifice, because of Him we have life. "God Himself is judge" – He stands up for what is right, holy and just. We need righteous judges. "The heavens proclaim His righteousness", so when you look up at the sky and you see all these signs and wonders and clouds and colors I see the Lord.</p>

Biblical Education	Seeking Him - Nancy DeMoss Wolgemuth	6/7/2022/ 4:07 pm	0:01:00	<p>Some years ago, at a gathering of Christian leaders, people began confessing their sins to God and many publicly confessed to the whole group. As they began to grieve over their sins, the atmosphere was heavy. But after repentance, people began to sing out of gratitude and love for Jesus. God gave them “gladness instead of mourning.” If you truly want to worship God, you don’t have to have a praise team, you just need a broken, repentant heart.</p>
Biblical Education	Seeking Him - Nancy DeMoss Wolgemuth	6/14/2022/ 2:55 pm	0:01:00	<p>Having little ones can be challenging for moms who want to develop a consistent devotional life. Susannah, a mom who had 19 children - 9 of whom died in infancy, spent extended time alone with the Lord every day. She was committed to obeying God’s command in Deuteronomy 4:9. “Keep your soul diligently... Make them known to your children and your children’s children.” Two of Susannah’s sons, John and Charles Wesley were mighty servants for God’s kingdom. Her example influenced her children. Your children will be impacted as you faithfully seek Him.</p>

Biblical Education	Seeking Him - Nancy DeMoss Wolgemuth	6/21/2022/ 12:25 pm	0:01:00	Where do you rank gratitude on the list of Christian virtues? Gratitude is far more significant than its lightweight reputation would suggest. In reality, it is a powerful and necessary component to our Christian life. We can't sustain persevering faith without gratitude. We have to be diligent to thank God - in all things. We need to praise Him in the good times, and worship Him in the bad times.
Biblical Education	Seeking Him - Nancy DeMoss Wolgemuth	6/28/2022/ 12:22 pm	0:01:00	Imagine if you called 9-1-1 with an emergency and they refused to send help. But sometimes we act as if this is how God treats us. In Scripture, you'll find countless stories of God coming to the rescue of His beloved ones. God is the great Rescuer. He knows exactly what His children need, and His timing is perfect.
Community	Faith Matters in Maine	4/5/2022/ 6:19 pm	0:01:00	Two bills have recently been filed in Maryland and California that would permit infant death by neglect. The worst bill is out of CA which makes it illegal for charges to be brought, or even an investigation to be pursued, quote "with respect to alleged pregnancy outcomes, including miscarriage, stillbirth, abortion or perinatal death." Perinatal means the weeks before – and after – birth. And if a "person who can give birth", is investigated or charged, they can bring a suit against the state actor. God help us! We must stand up and defend the unborn.

Community	Faith Matters in Maine	4/12/2022/ 6:28 pm	0:14:07	Jonathan Keller, Family Policy Council in California, is our guest on this show. He's an advocate for life, talking about California's Perinatal and abortion bill. People can go to AB2223.org for info on this bill, and to get involved. The bill is an attempt to decriminalize abortion at all stages, even born children. Perinatal refers to from a few weeks before birth and includes, at minimum, up to 7 or even 28 days after birth. In some national codes and statutes, the word perinatal, could include up to the first birthday. Pray God would give boldness and courage, specifically among pro-life legislators.
Community	Faith Matters in Maine	4/19/2022/ 2:10 pm	0:01:00	REPEAT: There are several bills attempting to expand gambling in Maine. The Christian Civic League is against gambling because it's a destructive, multi-billion dollar industry that leaves a wake of bankruptcies, divorces and suicides wherever it does business. The state is playing its own citizens for suckers, so we can repair our roads, build our schools and fix our bridges. Don't be confused with these attempts to wrap in patriotism, racial equity or claims of prosperity. Go to CCLMaine.org and fill out a form to send an email to your legislator.
