

The following is a list of some of the more significant community issues addressed by this station for the quarter specified. This listing is by no means complete, nor is the order in which these issues appear,

Quarterly Issues/Programs List for Stations: WWWA - Winslow, WMEY - Bowdoin  
4th Quarter 2023

| Issue Description: | Program Segment                 | Date/Time:          | Duration: | Description of Segment  |
|--------------------|---------------------------------|---------------------|-----------|---|
| Relationships      | License to Parent - Tracy Embry | 10/06/23 / 6:45pm   | 1:00      | Our kids take due notice of how fairly we conduct ourselves with others and as it pertains to His children I think it means something to God as well. One sure way to earn our kids' trust is to hear all sides of a story before coming to a judgment.   |
| Relationships      | A Love Language Minute          | 10/10/23 / 10:25am  | 1:00      | Are you a person who can never remember getting angry until you got married? Maybe it's because you're now living with a person who doesn't always live up to your expectations.  |
| Relationships      | License to Parent - Tracy Embry | 10/16/23 / 6:45 pm  | 1:00      | Time and intentionality. Both time and intentionality take work. Being intentional with our time as we prepare our children for what lies ahead.  |
| Relationships      | A Love Language Minute          | 10/19/23 / 10:25am  | 1:00      | How you handle anger can make or break your marriage. Before responding in anger, ask your spouse for some clarification. There might have been just a misunderstanding.  |
| Relationships      | License to Parent - Tracy Embry | 10/24/23 / 6:45 pm  | 1:00      | I have noticed that many parents who are told to be more firm with their kids have blurred the lines between being firm and unmoving and being mean and abrasive. They falsely think that enforcing boundaries and holding the line on their position means using forceful words, tones, and body language. |
| Relationships      | A Love Language Minute          | 10/25/23 / 10:25 am | 1:00      | If your marriage seems to be regressing, you might consider attending a marriage enrichment seminar.  |
| Relationships      | License to Parent - Tracy Embry | 11/02/23 / 6:45pm   | 1:00      | Because today's technology is growing at the speed of light, wise and godly parents must approach the parenting paradigm radically differently.   |

| Issue Description: | Program Segment                 | Date/Time:          | Duration: | Description of Segment  |
|--------------------|---------------------------------|---------------------|-----------|---|
| Relationships      | A Love Language Minute          | 11/07/23 / 10:25am  | 1:00      | The earlier you learn the discipline of waiting, the better off you'll be later on in life. Patience is indeed a virtue.  |
| Relationships      | License to Parent - Tracy Embry | 11/09/23 / 6:45 pm  | 1:00      | Since young people have always been eager to fight for what they believe to be valid causes, it is time to educate, validate, and work with our kids for a truly valid cause.   |
| Relationships      | License to Parent - Tracy Embry | 11/24/23 / 6:45 pm  | 1:00      | How does this popular post-modern notion line up with scripture? In 1 Corinthians 6, Paul not only rebukes sinful adults in the church, but he actually says, 'I say this to shame you.' Let's follow Paul's example, and let no one shame you for making your child feel ashamed of his or her behavior.                                     |
| Relationships      | A Love Language Minute          | 12/11/23 / 10:25am  | 1:00      | In covenants, people make unconditional promises. Many people get married with the idea that "Let's see how it works out." If that's your attitude, your marriage won't work out very well.   |
| Relationships      | License to Parent - Tracy Embry | 12/8/23 / 6:45 pm   | 1:00      | The church arguably has the most potent infrastructure of any entity in the world, yet our moral value system gets obliterated by those in community and others. If you don't train your children, somebody else will.  |
| Relationships      | A Love Language Minute          | 12/26/23 / 10:25am  | 1:00      | Do you know what your children are watching? Remember, you are the gatekeeper of your child's mind.   |
| Weather            | Maine Weather                   | 10/4/2023 / 10:46am | 0:33      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: Some clouds moving in across Northern and Central Maine may even get into Southern Maine through the night tonight. Temperatures for the daytime in the mid-70s, close to 70 North. Tonight, we're all back into the mid-50s. The clouds still around at times tomorrow... |

|--------------------|-----------------|-----------------------|-----------|--|
| Weather            | Maine Weather   | 10/9/2023 / 6:49pm    | 0:41      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: We've seen some showers close to the border, mostly staying over Quebec through the day, and that'll be the case through the night, as well. A lot of clouds remain, but very little as far as shower activity. Temperatures dropping overnight into the upper 30s to low 40s. Some clearing across Southern Maine...           |
| Weather            | Maine Weather   | 10/20/2023 / 10:46am  | 0:33      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: Today: Mostly cloudy – showers develop, increasing from South to North this afternoon. High 58-63 Wind: S 5-10 mph. Tonight: Showers likely. Low 52-57 South / 50-55 Central-North. Wind: NE 5-10 mph. Saturday: Rain may be heavy at times. High 55-60. Wind: NE increasing to 10-15 mph                                       |
| Weather            | Maine Weather   | 10/25/2023 at 10:27am | 0:40      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: Watch for a couple of showers for Northern, then into the evening Northern and Central Maine. But those are going to be spotty, just a lot of clouds most of the time today, tonight, and tomorrow. Temperatures this afternoon: Southern Maine Mid-60s, upper 50s/low 60s elsewhere. Tonight, low 50s hold across the state... |
| Weather            | Maine Weather   | 10/31/2023 / 9:28am   | 0:38      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: We have a mostly sunny sky taking hold today after some early cloudiness. Temperatures ranging from the low 40s South through the upper 30s North. Gentle breeze out of the Northwest. Partly cloudy tonight, 25 South, but into the upper Teens elsewhere...   |

| Issue Description: | Program Segment | Date/Time:           | Duration: | Description of Segment  |
|--------------------|-----------------|----------------------|-----------|---|
| Weather            | Maine Weather   | 11/06/2023 / 5:48pm  | 0:39      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: As a storm approaches from the West, clouds are increasing through the day. They'll thicken up tonight, with some snow and rain developing. Most of us see at least a little bit of snow. Southern Maine very little, Central Maine little more, Northern Maine best chance for even a light accumulation...   |
| Weather            | Maine Weather   | 11/13/2023 / 10:46am | 0:34      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: We've got sunshine through the afternoon, temperatures through the upper 30s, some low 40s as well, especially across Southern Maine. Cooling tonight to the teens North, 20s elsewhere, even close to 30 for Southern Maine. There'll be some extra clouds...   |
| Weather            | Maine Weather   | 11/21/2023 / 10:53am | 0:44      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: After a sunny day, clouds roll in for tonight, with some snow setting up. A very slushy, wet snow along the coast, little or now accumulation. We change to rain through the day on Wednesday. The farther interior you get, especially the higher up in elevation you get, the higher the snow totals are going to be. 3 to 6 inches possible for Northern Maine, even higher across some of those higher elevations... |
| Weather            | Maine Weather   | 11/30/2023 / 10:47am | 0:39      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: A mostly sunny afternoon gives way to a partly cloudy sky for this evening, but clouds increase overnight. We'll drop back from around 40 South, mid-30s elsewhere to near 30, not much variation North to South tonight. Tomorrow, though, a warm day across Southern Maine. We'll get into the upper 40s...  |

|--------------------|-----------------|----------------------|-----------|---|
| Weather            | Maine Weather   | 12/6/2023 / 9:52am   | 0:36      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: A mostly sunny day today, temperature around 30 South, mid-20s Central Maine, and near 20 North. Tonight, clear sky, cool night. We'll drop into the single numbers most areas. Southern Maine near or just above 10. Mostly sunny, upper 20s South tomorrow...                              |
| Weather            | Maine Weather   | 12/11/2023 / 5:51pm  | 0:43      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: The wind comes down through the night. We dry out; those leftover showers which have been around through the afternoon exit through the evening, and our temperature backs down into the lower 20s Southern Maine, Downeast we hold mid-20s as the wind stays strong just a little longer... |
| Weather            | Maine Weather   | 12/19/2023 / 10:58am | 0:32      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: Spotty showers are possible through the afternoon, best bet for these across the Northern part of the state and Downeast. And then through the night all the clouds depart. We're clear, temperatures back out of the 40s into the 20s tonight. Lighter wind, too...                         |
| Weather            | Maine Weather   | 12/28/2023 / 10:52am | 0:36      | Custom recorded weather forecast from Windy Hill Weather. Excerpt: We have clouds and showers through the day and tonight. A couple of flurries, then some light freezing rain coming into Northern and parts of North Central Maine tonight. Temperatures in the 40s South today, mid-30s tonight...   |

| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 10/6/23 / 12:45pm    | 1:00      | What we'd like is if God would give us an agreement with all the details filled in. But surrendering to Him is more like signing a blank piece of paper.   |
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 10/24/2023/ 12:45pm  | 1:00      | The people around us desperately need to see what God is like. Are we showing them?  |

| Issue Description: | Program Segment                      | Date/Time:          | Duration: | Description of Segment   |
|--------------------|--------------------------------------|---------------------|-----------|--|
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 10/30/2023/ 12:45pm | 1:00      | If you feel like you're walking in the dark today, let me encourage you. Trust in the Lord, rely on your God, and keep going. God is pleased with faith that's exercised, even in the darkness.                                |
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 11/6/2023/ 12:45pm  | 1:00      | You could spend your time today learning a lot of different things. Why don't you take time for what's most important, and open the Word of God? Ask Him to show you His ways.   |
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 11/20/2023/ 12:45pm | 1:00      | We all have a history of spiritual heart disease. It's not what's on the outside that counts. We need to let God examine us on the inside and diagnose those things we can't see for ourselves.                                |
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 11/28/2023/ 12:45pm | 1:00      | You may feel powerless to change your world, but you can ask God to move in the hearts of His people in revival. And that may be the greatest contribution you could make.   |
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 12/4/2023/ 12:45pm  | 1:00      | God is love, and He gave us the true definition in His book. The New Testament uses the word "agape" to describe the kind of love God has for us and the love we should show one another.                                      |
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 12/13/2023/ 12:45pm | 1:00      | Do you know what your friends and family need from you more than anything else? It isn't your friendship or your acts of service. It's not all your Bible knowledge. They need to see in you a reflection of what God is like. |
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 12/19/2023/ 12:45pm | 1:00      | The name of Jesus can't be compared with any other name. His name is above every name—above all earthly kings and rulers, above the wealthiest, the brightest, and the most famous.  |
| Biblical Education | Seeking Him – Nancy DeMoss Wolgemuth | 12/26/2023/ 12:45pm | 1:00      | As you observe days that are meaningful to you, why not take some time to write down what God is doing in your life? It might make just another holiday into a holy day.   |
