Relationships	License to Parent - Tracy Embry	10/06/23 / 6:45pm	0:01:00	Our kids take due notice of how fairly we conduct ourselves with others and as it pertains to His children I think it means something to God as well. One sure way to earn our kids' trust is to hear all sides of a story before coming to a judgment.
Relationships	A Love Language Minute	10/10/23 / 10:25am	0:01:00	Are you a person who can never remember getting angry until you got married? Maybe it's because you're now living with a person who doesn't always live up to your expectations.
Relationships	License to Parent - Tracy Embry	10/16/23 / 6:45 pm	0:01:00	Time and intentionality. Both time and intentionality take work. Being intentional with our time as we prepare our children for what lies ahead.
Relationships	A Love Language Minute	10/19/23 / 10:25am	0:01:00	How you handle anger can make or break your marriage. Before responding in anger, ask your spouse for some clarification. There might have been just a misunderstanding.

Relationships	License to Parent - Tracy Embry	10/24/23 / 6:45 pm	0:01:00	I have noticed that many parents who are told to be more firm with their kids have blurred the lines between being firm and unmoving and being mean and abrasive. They falsely think that enforcing boundaries and holding the line on their position means using forceful words, tones, and body language.
Relationships	A Love Language Minute	10/25/23 / 10:25 am	0:01:00	If your marriage seems to be regressing, you might consider attending a marriage enrichment seminar.
Relationships	License to Parent - Tracy Embry	11/02/23 / 6:45pm	0:01:00	Because today's technology is growing at the speed of light, wise and godly parents must approach the parenting paradigm radically differently.
Relationships	A Love Language Minute	11/07/23 / 10:25am	0:01:00	The earlier you learn the discipline of waiting, the better off you'll be later on in life. Patience is indeed a virtue.
Relationships	License to Parent - Tracy Embry	11/09/23 / 6:45 pm	0:01:00	Since young people have always been eager to fight for what they believe to be valid causes, it is time to educate, validate, and work with our kids for a truly valid cause.

Issue Description:	Program Segment	Date/Time:	Duration:	Description of Segment
Relationships	License to Parent - Tracy Embry	11/24/23 / 6:45 pm	0:01:00	How does this popular post-modern notion line up with scripture? In 1 Corinthians 6, Paul not only rebukes sinful adults in the church, but he actually says, 'I say this to shame you.' Let's follow Paul's example, and let no one shame you for making your child feel ashamed of his or her behavior.
Relationships	A Love Language Minute	12/11/23 / 10:25am	0:01:00	In covenants, people make unconditional promises. Many people get married with the idea that "Let's see how it works out". If that's your attitude, your marriage won't work out very well.
Relationships	License to Parent - Tracy Embry	12/8/23 / 6:45 pm	0:01:00	The church arguably has the most potent infrastructure of any entity in the world, yet our moral value system gets obliterated by those in community and others. If you don't train your children, somebody else will.
Relationships	A Love Language Minute	12/26/23 / 10:25am	0:01:00	Do you know what your children are watching? Remember, you are the gatekeeper of your child's mind.

Biblical Education	Seeking Him – Nancy DeMoss Wolger	10/6/23 / 12:45pm	0:01:00	What we'd like is if God would give us an agreement with all the details filled in. But surrendering to Him is more like signing a blank piece of paper.

Biblical Education	Seeking Him – Nancy DeMoss Wolger	11/6/2023/ 12:45pm	0:01:00	You could spend your time today learning a lot of different things. Why don't you take time for what's most important, and open the Word of God? Ask Him to show you His ways.
Biblical Education	Seeking Him – Nancy DeMoss Wolger	11/20/2023/ 12:45pm	0:01:00	We all have a history of spiritual heart disease. It's not what's on the outside that counts. We need to let God examine us on the inside and diagnose those things we can't see for ourselves.
Biblical Education	Seeking Him – Nancy DeMoss Wolger	11/28/2023/ 12:45pm	0:01:00	You may feel powerless to change your world, but you can ask God to move in the hearts of His people in revival. And that may be the greatest contribution you could make.
Biblical Education	Seeking Him – Nancy DeMoss Wolger	12/4/2023/ 12:45pm	0:01:00	God is love, and He gave us the true definition in His book. The New Testament uses the word "agape" to describe the kind of love God has for us and the love we should show one another.
Biblical Education	Seeking Him – Nancy DeMoss Wolger	12/13/2023/ 12:45pm	0:01:00	Do you know what your friends and family need from you more than anything else? It isn't your friendship or your acts of service. It's not all your Bible knowledge. They need to see in you a reflection of what God is like.
Biblical Education	Seeking Him – Nancy DeMoss Wolger	12/19/2023/ 12:45pm	0:01:00	The name of Jesus can't be compared with any other name. His name is above every name—above all earthly kings and rulers, above the wealthiest, the brightest, and the most famous.
