She had brought lots of money to spend on herself, but ended up spending it on shoes, coats and school supplies for the orphans. It's important to teach our young people to think of others and not just of themselves. One mom regularly went to a nursing home with her daughter and son. A few years later, her son came home from high school discouraged and said he was going to the nursing home. He came home a couple hours later refreshed and encouraged, because he had spent the time giving to others.

Relationships	License to Parent	8/3/2021/ 5:54 am	0:01:00	You've heard the saying that we should always think the best of everyone? What does that say about how you view your sibling? It says that you value yourself and what you want more than your sibling. It sin and you need to point that child to the Bible and turn to Jesus to help the heart.

Biblical Education	A Time for Harvest	8/10/2021/ 2:09 am	0:01:00	As we get older, every one turns into an exaggerated version of themselves. Like those who complain, complain more and those that love, see to love more. If you love for others as it will show through Christ (I John 3:14). Love your neighbor. Do you truly love others?
Biblical Education	Hope Minute	8/15/2021/2:46 am	0:01:00	Today the program said that everyone wants to be heard and understood. Also to matter. Not everyone wants to listen. Community	Faith Matters in Maine	7/8/2021/ 9:14 am	0:01:00	Having just celebrated Independence Day, I'm sure many of you reflected upon the sacrifices of those who risked everything to found this nation. The League is hosting candidate training sessions, in Auburn on July 24th; in Bangor on July 31st. Please email us at policy@CCLMAINE.org for details and registration.

Community	Faith Matters in Maine	7/14/2021/ 12:25 pm	0:01:00	<p>Last week we asked you to reach out to your legislators to ask them to stop a bill that would allow 18-22 more casinos in our state, without any state regulation or oversight. I'm happy to report that many of you reached out to your legislators and they listened. When the votes were counted, Governor Mills veto was upheld and this massive expansion of gambling in our state was averted. Thanks to all of you who took the time to call & email your leaders. Without question, your reaching out to your legislators made a difference.</p>

Community	Faith Matters in Maine	8/3/2021/ 5:15 am	0:01:00	<p>First Timothy 2:1 & 2 instructs us to pray for our leaders. May I suggest establishing a godly habit of praying for our leaders. Pick a leader with whom you are not politically aligned, one for whom you might not naturally be inclined to pray. First Timothy 2 says to pray for ALL of our leaders. Choose a time when you will be normally free from activity, type in that leader's name and set the appointment to occur daily. Commit to offering a brief prayer, and see what God does as a result of your obedience.</p>
Community	Faith Matters in Maine	8/10/2021/ 9:37 am	0:01:00	<p>It is critical that we regularly examine our motives, even when advocating for God's truth. If we forget that the primary purpose of telling the truth is to draw people to Christ, we become vulnerable to worldly & ineffective motivations. Our advocacy becomes judgmental & loveless. God's truths, delivered with love and respect, can be lifelines, rather than whips of condemnation.</p>

Community	Faith Matters in Maine	8/24/2021/ 2:08 am	0:01:00	You were not created with the capacities to bear the burdens of every problem, nor are you responsible to. Find rest in being who you were made to be and what you were made to do. The Bible is very clear; we are to be worshipers and witnesses. We are not to ignore or to not care about the problems that we see in the world. Yes, we care; we'll do what we can, but I have to be constantly reminded that I am to be still and know that He is God.
Community	Faith Matters in Maine	8/31/2021/ 12:41 pm	0:01:00	God clearly calls believers to pray for the nation. But He also clearly and directly calls us to action, motivated by love for God and our neighbors. If prayer was all sufficient, Esther never would have left the prayer closet, to enter the king's court uninvited to expose Haman's conspiracy against God's people. "For such a time as this" declared Esther, "If I perish, I perish." She took action, even at her own peril. May we also pray AND act.
Community	Faith Matters in Maine	9/7/2021/ 10:36 pm	0:01:00	Last week 2 court cases gave us reason for hope and celebration. First, California authorities were ordered to pay Grace Community Church \$800,000. That settlement was based on expenses incurred when Grace Community defied California's ban on public worship. Two days later, the US Supreme Court refused to halt Texas' Fetal Heartbeat Law. It is now illegal to take the life of an unborn child if a heartbeat can be detected. Thus, abortion has nearly been eliminated in the Longhorn state.

Community	Faith Matters in Maine	9/15/2021/ 8:12 am	0:01:00	I've heard people say the pandemic and vaccine mandates have caused division in the church. I think these issues have exposed attitudes that make us vulnerable to division. The Apostle Paul instructed believers to strive to maintain unity. Two great enemies of Biblical unity are fear and pride. The remedies to division are: 1, trust in God with our daily circumstances and 2, humility, esteeming others higher than ourselves. I pray we can wrestle with these challenges without judgmentalism.
