

Alternative Broadcast Inspection Program Certificate of Compliance

The Indiana Broadcasters Association (The "Association") hereby certifies that the following broadcast station

WLHK FM, Community of License, Shelbyville, IN

(the "Station"), recently participated in the association's Alternative Broadcast Inspection Program ("ABIP Program") which is maintained by the association pursuant to an agreement (the "ABIP Agreement") between the association and the enforcement bureau of the Federal Communications Commission (The "Bureau"), and (ii) has successfully completed that program. Accordingly, pursuant to that agreement, the Association hereby issues this original executed and valid Certificate of Compliance to the station on 06/08/10. It is contemplated that this Certificate of Compliance will remain in full force and effect for three years, to and including 06/08/2013. (The date which is 3 calendar years from the date of issuance, not including the date of issuance, e.g., issued 06/08/10), Expires 06/08/2013.

The benefits accruing to the station as the holder of this valid Certificate of Compliance are spelled out in the ABIP Agreement dated as of August 15, 2003, by and between the Association and the Bureau. A copy of the ABIP Agreement was provided to you when you entered into the contract to be inspected. If you would like to receive another copy, please contact the Association toll free @ 1-800-342-6276 or 317-573-0119, extension 104. As required under the ABIP Agreement, the Association will, this date, simultaneously send a copy of this Certificate of Compliance to the Chicago FCC District Office.

The station is solely responsible for insuring that it has fully complied with the requirements of the ABIP Agreement in all applicable respects, including but not limited to the requirement that the station promptly publicly display the Certificate of Compliance as contemplated under paragraph 4.d. of the ABIP Agreement. The failure of the station to so comply will undermine the validity of the Certificate of Compliance. Furthermore, the ABIP Agreement governs the relationship between the station and the Bureau as relates to this matter.
