Title Hope for Teen Moms
Length 26 minutes
Description On this "Focus on the Family" broadcast, our hosts--Jim Daly and John Fuller--interview John and Tricia Goyer. Tricia shares that she was "boy crazy" from as early as fourth grade and by the time she graduated from high school, she had experienced an abortion and then gave birth to a new baby boy. Tricia shares that this wasn't the plan she (or God) had in mind for her, but how God saw her through one of the toughest seasons of her life. As a result, she turned to Christ and eventually married a godly husband. Listeners will find hope to move on after an abortion or a teenage pregnancy, advice for their teen on discerning what makes a boyfriend "marriage material," and the value of a mentor if an unwed young woman chooses to parent her new baby. We offer hope for teen moms on today's program
