Re: WNGH-TV Chattanooga, TN DMA
 WJSP-TV Columbus, GA DMA
 WXGA-TV Jacksonville, FL-Brunswick, GA DMA

Dear Mr. Woodlief,

We are in receipt of your letters requesting carriage for the above-mentioned stations in their respective local markets.

Please be advised that these stations are covered under a retransmission agreement with DIRECTV dated as of June 24, 2010 as amended July 11, 2011 ("Agreement"). This term of this retransmission consent agreement will automatically extend every three years without a notice letter from Georgia Public Telecommunications Commission.

Should we receive a termination notice, DIRECTV will after the expiration of the Agreement offer the stations carriage in their respective local markets on January 1, 2021 in accordance with Section 338 of the Communications Act of 1934 and the Federal Communications Commission's Rules. *However, we have a reasonable basis to believe that the over-the-air signal of these stations at our local receive facilities in such station's local market does not meet the good quality signal standard specified by the Federal Communications Commission's Rules, 47 C.F.R. § 76.66(g), and DIRECTV will deny such stations signal delivery via over-the-air reception at DIRECTV's local receive facility. In accordance with the FCC's Rules, each station would pay the cost of signal delivery to DIRECTV's local receive facility in such station's DMA.*

Technical questions and those related to the local receive facility can be forwarded by email to Locals-Technical@directv.com.

Any correspondence relating to this matter should be addressed to DIRECTV Local-Into-Local Elections at g45922@att.com.

Sincerely,

DIRECTV
