

**ISSUES/PROGRAMS LIST
THIRD QUARTER OF 2014
FOR STATION WQQZ-CA, ARECIBO, PUERTO RICO**

This Quarterly Issues/programs List is a list of non-entertainment programming, which in the view of the management of Station WMEI-DT, represents the most significant treatment by the Station of certain issues believed to be of community concern. The management of the Station selected the issues of greatest community concern by conducting interviews with resident of the viewing area and leaders of local organizations and interest groups. Based on the results of these interviews, CMCGPR License LLC selected the following issues as of greatest concern:

- Quality of the Environment / Weather Conditions
- Drug Addiction
- Health (Including Cancer, Depression, Drug Abuse, Health Prevention, Sexual Diseases)
- Abuse of Children and Animals
- Preservation of Family Values

The management of the Station believes that the most effective way of providing information concerning the above-noted issues is by means of public service announcements aired at various times of the day so as to include all of the Station's viewers. The station has been airing mainly weather programming to cover the environment weather issues above. Due to the hurricanes season station broadcast mainly weather forecasts through the Accuweather programming in the following dates and times.

Accuweather aired from 12:00 AM to 11:59 PM from July 1, 2014 to August 4, 2014. Responding quality environment and weather issues.
