Due to the uncertainty of the pandemic there was not the traditional "bid" process by communities to host the Gov fishing opener for this year. As you have probably heard, it will be a more informal and open event this year with the focus area up here around the Chippewa National Forest/Leech Lake Reservation.

Explore Minnesota is looking for folks to volunteer as host boats (aka guides) for the opener for media, etc. who want to fish Saturday morning for the opener on May 14. Hosts can fish a lake of their choice in the area, it does not have to be a large lake. Hosts receive free registration for events but no other compensation. Volunteers would also need to agree to a background check.

If you are interested in serving as a host boat, contact Deb Beyer (deborah.beyer@state.mn.us) directly.
