How are we to be good stewards of our brothers and sisters, or even the earth? Join Larry and Ankie McEvoy for a series of reflections on Pope Francis' Laudato Si, which envisions engaged parish communities who are stewards of the community and world. Inspired by the works of Saint Francis, it helps us to see that an integral ecology calls for openness to categories which transcend the language of mathematics and biology and take us to the heart of what it is to be human. This Laudatopalooza is on Wednesday, starting May tenth through the 31st, 7 to 830 pm in the St Thomas Parish center, and is open to all.
