**EEO OUTREACH ACTIVITIES**

**April 1, 2018 through April 1, 2019**

During the period addressed in this report, the unit had one full-time opening. The Unit recruited to fill this position utilizing its radio stations.

The unit is required to complete four initiatives during a two-year period. It has selected the following initiatives:

Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.

Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

The unit sponsored a Job Fair/Open House at its studios on July 20, 2018. The event was supported by radio advertising on the unit's stations. Will Mashione hosted the event for the Unit. No one attended. The purpose of this job fair and open house was to inform people about employment opportunities in broadcasting. At the time of the open house, there were no job openings at the unit.

The unit conducts management training to ensure equal employment opportunity and to prevent discrimination. This period, Steve Swick, the stations' owner, studied reviewed chapter 10; Retaliation and Chapter 1, Introduction to EEO Law from the book "EEO Personnel Practices and the Law" by Arthur Gutman.

Every 6 months, the unit sends out press releases to a variety of local and national organizations seeking assistance with its recruitment and outreach efforts. It also broadcasts the press releases on all of its stations.
