KPHT
Quarterly Issues/Programs List

KPHT provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Broadmoor Business/Community Development:** As one of the larger employers in Colorado Springs the Broadmoor contributes millions of dollars to the tax base in Colorado Springs. Allison outlined the properties rich history, spoke of recent ownership changes, shared the magnitude of recent renovations and additions to the property insuring The Broadmoor (tm)s national prominence and ability to lure even greater numbers of vacationers to the Pikes Peak region.
- **Colorado State Fair Preview:** Talked about the history of the CO State fair, addressed the question why it housed in Pueblo? Also discussed up-upgrades to fair campus, attractions, pricing, previewed entertainment schedule.
- **Domestic Violence Month:** September is Domestic Violence Month and Michelle spoke of the forms DV take on in our society, how to identify if you (tm)re a victim, how to deal with various DV situations, how to seek help and service provided by TESSA. We also talked about a number of informational and fund raising events on TESSA (tm)s calendar
- **Domestic Violence/ Fundraiser:** Michelle spoke about the various forms of domestic violence present in S. Colorado how to identify them and how to intervene or seek help. We discussed the services TESSA provides in our community as well as details about their event Pasta In The Park.
- **Duke Power Plant Update:** Dan told us about the extent of damage at the Martin Drake Power Plant due to a recent fire there, offered a restoration timetable, outlined power alternatives for the up coming Summer peak usage season and spoke of the temporary rate hike during the restoration period. In additions to offering tips to help customers save on utilities bills. Catherine spoke of the water outlook, best watering practices for irrigation, availability of xeriscape information and told us of rebates and programs to help us save water and money
- **Flood Water Mitigation:** Discussed a wide range of issues facing El Paso Country including flood water mitigation along highway 24, the storm water ballot issue, changes in the office of emergency management, Military affairs task force and emergency preparedness.

- **Heart Disease/ Stroke Awareness:** Spoke of heart disease and stroke |. Warning signs, diagnosis, treatment and prevention of heart disease and stroke. Also talked about the upcoming Go Red For Women luncheon and education day.
