KPHT
Quarterly Issues/Programs List

KPHT provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Cancer Awareness/ Relay For Life:** We discussed the prevalence of cancer in the Pikes Peak Region, the importance of early detection, treatment options and where to have cancer related answers to your questions. Lisa also outline the up-coming schedule of Relay for Life events in our area and how to get involved.
- **Colorado State Fair:** Part Two: A rundown of all this year (tm)s event (tm)s at the Colorado State Fair
- **Community Foodbank/ Volunteering:** Shannon told us about the early beginning of Care & Share, who it serves, how it distributes food to the southern half of Colorado, where the food it distributes comes from, Volunteer opportunities and current Care & Share Programs
- **Community Impact: PPIHC:** Mitch told us of the Pikes Peak Hill Climb (tm)s long history in the region, the amount of income it brings annually to Colorado Springs through international tourism and the collection of competitors this year (tm)s event will include.
- **Community Involvement: UCCS:** Pam outlined the rich history of and physical growth of The University of Colorado in Colorado Springs. We learned of new programs and degrees for students as well as the vision of growth on campus in the years to come.
- **CS Conservatory Fundraising/Events:** Told us about the growth of the Conservatory in recent years, the various programs available to people in our community and performances which will occur throughout the area this Summer.
- **Domestic Violence Month:** April is Domestic Violence Month and Michelle spoke about the warning signs of Domestic Violence, how to assist victims and the services TESS provides to our community.
- **Educational Awareness:** iHeartMedia National PSA Programming
- **Fundraising/Nepal Relief Agency:** Talked about the devastation in her home town in Nepal following the deadly earthquakes and the Nepal

Relief Agency and it (tm)s relief efforts in the area

- **Lawn/Garden Care:** Joan spoke of the challenges for gardeners in a semi arid climate. We discussed what you should be dong to you garden and flower bed at this point of the year.
- **Preventative Health: Heart Attack/Stroke:** Warning signs of heart attach and stroke. What to do in the case of emergency. Preventive steps to avoid heart attack and stroke and information related to this year (tm)s Heart & Stroke Walk.
- **Wildfire Mitigation:** The interview dealt with how to prepare your yard and the immediate area surrounding your home for the summer fire season. We talked about what to prune, what to save, what materials are less flammable for landscaping and home construction
