Re: Children's Programming Certification

Dear Nisha:

This letter is in connection with the Children's Television Act of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

As requested, this will confirm that for 2022, Game Show Network, LLC certifies that the Game Show Network is in compliance with the commercial content restrictions of the Act.

HBO
CERTIFICATE OF COMPLIANCE WITH
COMMERCIAL LIMITS FOR CHILDREN'S PROGRAMMING

I, Toni Millner, in my capacity as Senior Vice President – Legal & Business Affairs / Kid Vid Compliance, hereby certify that for the period from January 1, 2022, to December 31, 2022:

- 1) I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the Federal Communications Commission ("FCC") regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be broadcast during children's programming* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) As a standard practice, our company formats any children's programming (as defined under the Act) within the commercial limits set forth in the Act to the extent the FCC regulations are applicable to the programming.
- 3) To the best of my information, knowledge, and belief, no children's programming aired in the period noted above on HBO or any of the HBO-branded television networks with a limited exception for the HBO Family network, which aired some children's programming as defined under the Act.
- 4) To the best of my information, knowledge, and belief, these children's programs on HBO Family were formatted within the commercial limits set forth with the Act when telecast (particularly given that HBO Family is a premium subscription cable network that is not ad-supported and has limited (if any) promotional announcements on the network).

Certified by me this 9th day of January, 2022.

Toni Millner
Senior Vice President

*" Children's programming" for the purpose of the commercial limits means programs originally produced and telecast for an audience of children 12 years old and under.
