

**Quarterly Issues/Programs List**  
**WNIU 90.5**  
**Rockford/DeKalb IL**

This report represents a sampling of the various programmatic elements presented to, by and/or with the communities served by WNIU. Pursuant to the FCC's rules 47 CFR 73.3527 (a) such quarterly lists will be placed within WNIU's public file on January 10, April 10, July 10 and October 10 each year.

As a 24-hour classical music station, WNIU does not address community issues and concerns in the convention of a news station. The following information describes how WNIU has responded to the local community from October 2019 through December 2019. Community topics addressed include:

**1. Public appreciation & promotion for the visual arts**

WNIU is a community partner in building and supporting the region's vibrant cultural life through presenting and promoting cultural events, including those focused on the visual arts. WNIU regularly supports these efforts through public service announcements and an ongoing arts calendar.

**2. Public appreciation & promotion for performing arts**

WNIU is a community partner in building and supporting the region's vibrant cultural life through presenting and promoting cultural events, including those focused on the performing arts. WNIU regularly supports these efforts through public service announcements and an ongoing arts calendar.

**3. Public appreciation & promotion for musical arts**

WNIU is a community partner in building and supporting the region's vibrant cultural life through presenting and promoting cultural events, including those focused on the musical arts. WNIU regularly supports these efforts through public service announcements and an ongoing arts calendar.

**4. Building awareness of lifelong learning opportunities**

Education is a core value of WNIU's public service mission shared by its audience. WNIU introduces listeners to lifelong learning events and opportunities taking place throughout the region. These efforts are focused on

**5. Quality of life and mental health**

WNIU listeners cite access to 24-hour commercial free classical music as a necessary oasis from the news of the day. A service that refreshes their spirit and adds significant value to the quality of life in the region.

**6. Access and inclusivity**

WNIU is committed to helping make live performance available beyond to just those who can afford to hold season tickets. WNIU presents music and interview programs that take the public inside the local concert hall.
