WADL is seeking a highly detail oriented Master Control Operator for an immediate full time position. The Full-time shift will be from 3:00PM to 11PM at \$10.00 per hour. Deadline for this posting is 10/02/13.

Position Summary

The Master Control Operator (MCO) is responsible for ensuring the quality and accuracy of our on-air products by continuously monitoring, overseeing, and maintaining WADL programming throughout the week (includes weekends and holidays).

- SBE Television Operators Certification preferred but not required
- A high school diploma or equivalent is required. Trade school training helpful. Knowledge of transmission, broadcasting, switching, control, and operation of telecommunications systems a plus.
- Understanding of and ability to troubleshoot computers preferred; proficient in Microsoft Office
- Understanding of modern operating systems, networks protocols
- Ability to professionally interact with customers and co-workers; strong verbal communication skills
- Must be reliable and motivated to fulfill obligations; ability to work independently and without supervision
- Ability to analyze situations and use logic to address issues; careful attention to details required
- Ability to work evenings and weekends as a part of a regular schedule and/or dictated by business needs
- Strong work ethic with an emphasis on team commitment required

How to apply:

E-mail cover letter & resume to resumes@wadldetroit.com

Please – no phone calls. Phone calls will not be considered or returned.

So far I have 6 interviews setup for next Thursday, still waiting for 1 potential to call back.

3 are from the job fair yesterday

1 is from the batch of resumes you sent from the last job fair you attended with Paulette(still waiting on another of those to call)

1 is from the resume batch Macomb Community College sent me

1 is an employee recommendation

And I'll be speaking with Scott Mullins – an MCR contractor to gauge his interest in a full-time position
