You can do this by airing your own PSAs, if you have a station, or by adding your involvement into any press promotion. Your assistance in promotion is vital to the success of the career and networking fair. For stations, keep track of everything you air for your EEO records and send the MABF a copy of your affidavits.

### **COST**

Registration fee is **\$275** per booth and includes Co-Sponsorship of this event along with the following amenities:

- One MABF Virtual Career Fair booth – located at [www.michiganbroadcastcareers.com](http://www.michiganbroadcastcareers.com)
- One 6 ft. banquet table with two chairs.
- One table-top sign with your call letters/company name displayed.
- Promotion on the MAB website, the MAB e-newsletter.
- Assistance with promotion to the schools through the MAB Foundation.
- Box lunch/dinner for up to two station representatives.
- A portion of the registration fee goes to support the MAB Foundation and its mission and may be tax deductible.

### **ATTENTION UPPER PENINSULA STATIONS!**

The MABF once again encourages stations in the UP to participate in the NMU Fall Job Fair and Career Expo in October. This career day is separate from the other MABF Broadcasting Career Fairs and may include different fees and registration requirements. Please contact Kimberly Poupore at 906-227-2800 for complete information or visit online at [www.nmu.edu/jobfairs](http://www.nmu.edu/jobfairs)

### **ATTENTION STATIONS: EEO OUTREACH**

This program may provide you with the basis to claim a "menu option" outreach initiatives credit under the FCC's EEO regulations. Specifically, one station representative in attendance must have hiring responsibilities at all of the stations represented. You should consult with your communications counsel or call MAB's Washington Attorney David Oxenford to be sure. Please submit to the MAB Foundation copies of the station's affidavits concerning airing Career Fair promotion. This information will be needed as we prepare the official EEO letter for each station participant.

The MABF will present all participants with an official letter that you may wish to place in your EEO records along with other relevant materials such as PSAs, affidavits, promotional letters, etc.
