What you should know before you go!

During your upcoming event the area surrounding the Lansing Center and its adjacent parking lot will be going through some transition due to permanent down town improvements that will cause a temporary shortfall of doorstep parking spaces. Although supplemental parking will be made available at neighboring parking ramps to accommodate you, we suggest that you follow these other tips to ensure that your commute to and from your event is easy and convenient as possible.

Benefits of Carpooling!

Carpool to your upcoming event in Greater Lansing and you'll tap into numerous rewards, both for yourself and the environment.

Avoid the frustration of the temporarily limited number of doorstep parking spaces

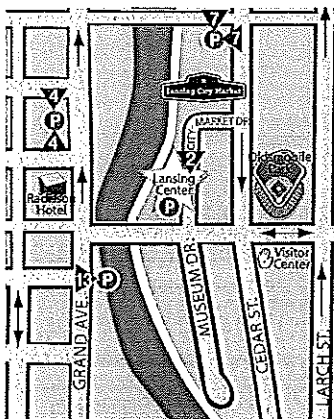

Consider carpooling an economically wise plan of action for your organization

Every little bit we can do for the environment helps and carpooling is a great way to reduce your carbon footprint - GO GREEN!

Planning on Driving?

For those that are planning to drive in to the Lansing Center for the event we are suggesting the following parking options listed in order of closeness to the facility. Please see the map on the reverse side to locate the various parking options.

- ◀ Lansing Center Parking
- ◀ Lansing City Market Lot
- ◀ North Grand Ramp
- ◀ North Capitol Ramp

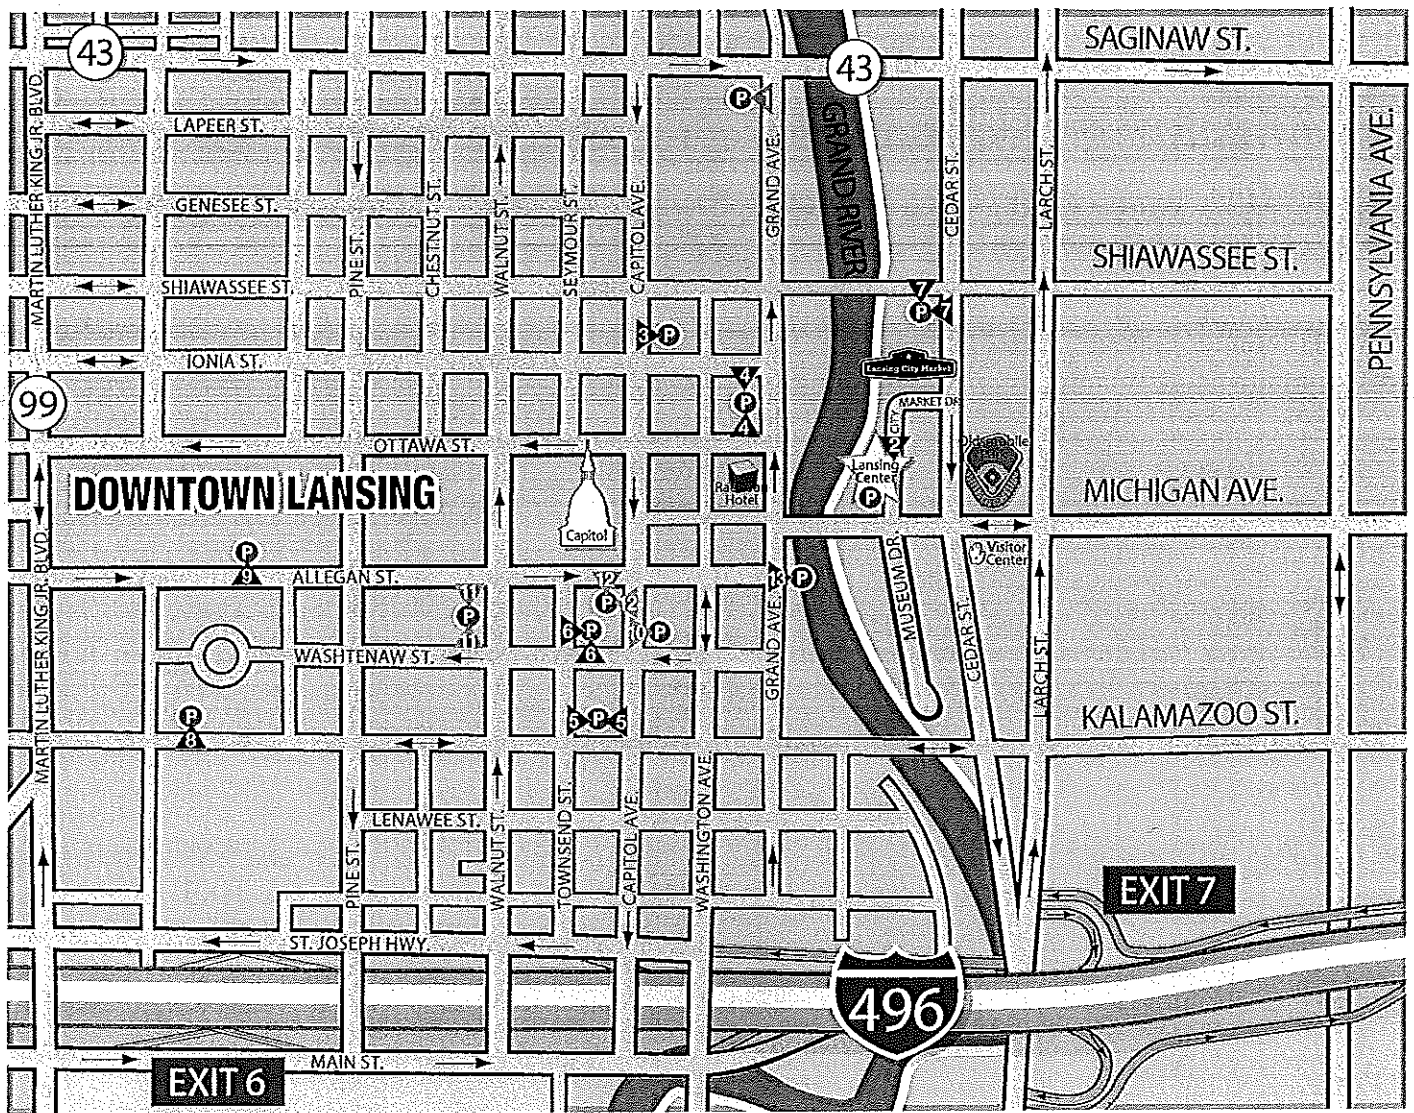

How do I get to the North Grand Ramp?

Should you arrive on-site to find that both the Lansing Center and Old City Market Lots are full, please follow this map and these directions to find your way to the North Grand Ramp:

Follow City Market Drive to the south underneath the Lansing Center. The road will become Museum Drive and you will follow to the roundabout at the end and follow up to street level. Turn left onto Michigan Avenue, turn right onto Grand Avenue at the light (the Radisson on your left). Stay in the far left lane to enter the North Grand Ramp and the ramp will be on the northwest corner of Grand Avenue & Ottawa Street.

Dear Jamie,

On behalf of the Joseph Business School, Bill Winston Ministries and Straight Gate International Church, we would like to thank you and The Word Network/WADL TV38 for your generous support of our 2014 Detroit Economic Summit Career Fair. Without your assistance, this year's inaugural Career Fair would not have been the success that it was.

Your participation was a valuable addition to our event. Over 800 attendees were able to speak with you and other recruiters about specific job opportunities and resources that will lead directly to employment or advancement in their careers.

We know that you have many organizations to consider when choosing where to exhibit each year and our organizations are truly honored that you chose to participate in our Career Fair. The impact of this event is also important to us. If any of the attendees were hired that day or as a result of this event, please forward the specifics of those details to us.

Do not hesitate to call if there is anything we can do for you in the future. We look forward to a long and fruitful relationship with you and your organization.

Thank you again for your participation and your support of the 2014 Detroit Economic Summit Career Fair.

All the Best,

Melissa Duff Brown
