Hi:

I have tried several times to register on your website, so I can attend your upcoming job fair on April 28th, 2015

After receiving the same Error Codes, I am not sure what else I can do, it keeps telling me the email address that I entered, which is my current one, is "invalid email formant only" not sure what this means.

I have attended your job fair for several years and have never had this much of a hassle to register.

Dear Jamie:

Thank you for your participation in the 2015 MABF Broadcast Media Career & Networking Fair on Wednesday, March 11 at The Lansing Center in Lansing! We had beautiful weather this year and were excited to see more than 200 students and business-minded professionals attend this year's event.

We hope that you were able to meet and collect information on potential employees and interns.

Our records show that the following people attended the career fair on behalf of your company/station(s):

Paulette Everheart, Jamie Harrington, Ken Templin

The following call letters were represented:

WADL-TV

The information about the MABF Broadcast Media Career & Networking Fair at GLBC was widely disseminated and marketed, including distribution to resources with a high volume of minority and women candidates. The variety of students present at the awards ceremony, career fair and career sessions was proof that information regarding employment opportunities was made available to many valuable and new sources. In addition, your logo and a link was displayed on our website: www.michiganbroadcastcareers.com.

For Stations - As you know, participation in the career fair may count as one of the Outreach Prong 3 - Menu Option Initiatives with regards to obtaining EEO credits. As mentioned in previous mailings, your efforts in promoting and planning this event are very important to the FCC in considering possible EEO credit. Any questions should be directed to your legal counsel, or, if you are a current MAB member, you can contact MAB's legal counsel, David Oxenford.

The MABF asks that you place this letter, other enclosed items as well as any other promotional materials your station used, and affidavits of PSAs aired, with your EEO records.

Thank you for your participation, we hope the event proved useful in your recruiting efforts.

Sincerely,

Julie Sochay
Executive Vice President, MAB Foundation
