Hi everyone,

I just wanted to highlight the new posting of the project manager position for the video production grant today. We will be listing the job in a variety of places (see the attached list), so anywhere else you can spread the word about this opening will be helpful. We decided to accept applications until just after the Thanksgiving weekend because we honestly wouldn't be processing anything the week of the holiday anyway. This gives us a pretty good shot at getting well into the interview process before Xmas. Let me know if I can provide any more info, and if you have questions about the posting, you can contact me or Holly Denniston in OPB's HR department who has worked with me extensively on this posting.

Thanks!
Morgan

Good afternoon, OPB!

We have a new job opportunity to announce – details are below. As always, please forward the information to anyone you think may be interested, or post it to Twitter, Facebook, LinkedIn, etc. I do ask that if you repost it anywhere, please be sure to let me know (don't forget to include info about where you posted). OPB has to

track that information for the annual hiring report we provide to the FCC. Also - if you repost and use hash tags, please include #pubjobs, #mediadiversity and/or #nprjobs.

Special note for LinkedIn - there is an issue with an incorrect logo popping up for some users. Please use the following link to post to LinkedIn: <http://www.opb.org/about/jobs/?ref=LinkedIn> - this *should* cause the correct logo to appear when you post. If not, be sure to delete the incorrect logo (red "Contribute Now" button) before posting.

Thanks,

Barb
