Dear PSA Director,

Doctors Without Borders/Médecins Sans Frontières (MSF) has a new radio PSA campaign entitled "We're All in This Together."

Doctors Without Borders medical teams are delivering emergency medical care in places others won't go, because that's where we're needed most. Teams come from all around the world to provide surgery, treat those who are severely malnourished, provide obstetric care, and administer necessary vaccines.

Doctors Without Borders is a 501(c)(3) nonprofit, committed to providing impartial and independent medical assistance to people in need in nearly 70 countries.

These PSAs invite listeners to learn more about how their support makes it possible for Doctors Without Borders' emergency medical teams to respond to current crises from South Sudan to Syria. Listeners can find out more about Doctors Without Borders by visiting doctorswithoutborders.org.

The spots are available in :60 and :30 versions. These are evergreen spots.

We ask you to place these PSAs in rotation. With your support, we hope to inspire more people to join our efforts and help us save lives in some of the most remote and dangerous places on earth.

Sincerely,

Nadine Ahrabi-Nejad
Marketing Project Manager
Doctors Without Borders/Médecins Sans Frontières (MSF)

RE: **Memorial Event for the late Johnny Lubin-Saturday, November 17th, 2016
12:00p.m.-6:00p.m. Northpark at Scott Carver 2181 NW 74th St., Miami, FL.
"Johnny Lubin Day of Peace"**

In memorial of the late Johnny Lubin, his mother, family, friends, law enforcement and community have established the first annual "Johnny Lubin Day of Peace", Saturday, November 19th, 2016 from 12:00p.m.-6:00p.m., at the green space of Northpark at Scott Carver community, 2181 NW 74th Street. This event will be confirmed as "Johnny Lubin Day of Peace", and be maintained on a yearly basis, to address the epidemic of gun violence across the country, that is plaguing our communities and to connect our youth and families to community based programs, resources available in Miami Dade County.

Too often, youth lose their lives prematurely to gun violence. Through this initiative we hope to serve as one of many community efforts to curve and eliminate the violence and deaths in Miami Dade County. Ms. Julie Examar, Johnny's mother has been a moving force in working with other volunteers to expedite this event on November 19th.

However, we need your assistance in varied ways; monetary sponsorship, public service announcement, media coverage, donation of food and drinks (non-alcoholic) ice, tents and paper goods and commemoration of event via certificates of appreciation.

Your immediate response on or by November 10th, 2016 is appreciated. Please feel free to forward any questions you may have to the email address listed for Rachel Walker or contact her directly at (786) 310-7381 or committee partner Vivilora D. Perkins Smith at 305-218-0783, viviloraperkins@comcast.net

Thank you in advance for your support, please see attached list, requesting "Certificates of Appreciation", from Miami Dade County Commissioner Audrey Edmonson, District III.
