

WDFB 1170 AM
Programs/Issues Report
2nd Quarter – 2023 (April – May - June)
July 9, 2023

- *Haven Care Center/Tiffany Johnson:** On April 29, 2023 the director at Haven Care Center in Danville came for an interview to tell us the latest things happening at Haven Care. They offer counseling for expectant Mothers and Fathers – Ultrasound Onsite, Adoption Referrals, Education on Healthy Relationships, Abstinence and STD's, along with so much more information. They are in the process of building on to the current location. What a blessing to have Haven Care Center in our area.
- *Boyle Water Advisory:** On several occasions during the last three months we announced boil water advisories in our area from the Parksville Water Department. Not only did we announce the boil water, but also when the advisory was lifted.
- *Family Altar:** This is a time of prayer and fellowship. We have the opportunity to pray with one another, for one another and for the many needs in the community. Family Altar is one hour in length and is aired Monday thru Friday at 10:30 AM and is repeated at 8 PM. We have a group of Pastors that rotate each day.
- *Insight For Living:** Chuck Swindoll teaches each Monday thru Friday at 9 AM on WDFB. It is 30 minutes in length. Chuck's program covers an array of subjects from everyday living to the return of our Lord. His program brings "Insight" to the listener's heart and mind.
- *Today's Key To Confident Living:** Bill Hossler is the host of Today's Key To Confident Living – Known as an inspirational radio program. The program is about 2 ½ minutes in length and is quick to the point – a very short story and a good point to each of those. We air the program several times daily.
- *Christian Working Woman Daily:** Mary Loman is the host of Christian Working Woman – we carry both the daily programs and a week-end version each Saturday. The daily version is about 3 ½ minutes in length and touches many different topics – we especially enjoy Fran And Jesus, along with work issues, home issues, balancing home/work and many more lessons. Mary is also having guest host on her programs.
