\***Adventures In Odyssey:** Adventures in Odyssey is a wonderful children's program produced by Focus On The Family. The program is a 25 minute program Monday thru Saturday at 5:30 PM. We hear from listeners often on this program, they say it's not just for children. Some even say they drive around the block or sit in their drive way so they can hear the rest of the program. So proud to be able to present a program for the entire family.

\***School Closings/Bad Weather:** WDFB listening area experienced a much milder winter than in the past, but we didn't have a few days of School and Church closings during the last three months.
