These on-air spots must be broadcast **at least once per week (Monday through Friday) for four (4) consecutive weeks, with no more than two (2) broadcasts in a week**. Broadcasts made in the same week may not air on the same day.

Start date for on-air announcements: The first on-air post-filing announcement may air as early as the release date of the FCC's Public Notice accepting the renewal application (February 2, 2022), but the first announcement may not air later than the 5th business day following release of the FCC's public notice (February 9, 2022).

Time of day for on-air announcements: each of the six on-air post-filing announcements must air between the hours of 7 AM and 11 PM local time, Monday through Friday.
