Have you had to recruit for the hybrid role under Photog? I don't have an issue w/ title especially since Reporting duties are defined in JD, just want you to get the right applicants. No problem. Post as is? Oh, I need a job #

Erika, we have approval to hire a replacement for the position vacated by Antonio Nunez, Austin Photographer. Sam has slightly modified the usual photojournalist job description we normally use to try to capture candidates that are more of a one-man-band type, to match the other 2 photographers we currently have in Austin. Can you please review and let me know what edits I need to do?

Also, do you have any CB postings available that I could use for this position?
