Public Service Announcements

Delivered throughout the day, we air 15, 30 and 60 second recorded PSA's from local, state and national organizations.

Weather

Local delivered once per hour as recorded by Weather Eye Meteorologists for the majority of Southeast Minnesota.

Closings and Delays

When road conditions are poor and weather conditions are severe, we use our website to give our listeners a comprehensive list of closings and delays for local schools, churches, community organizations and local businesses. We also read the list on-air as needed.
