I am born and raised in Sacramento, went to the first Kings game in 1985, and have been a long time supporter of the organization. I would not be able to forgive myself if I didn't reach out to your station. If you guys fire Grant Napaer over what transpired yesterday, I will no longer be a Sacramento Kings fan or listen to 1140 ever again. This guy has been loyal to this city and organization for 31 years. Those 3 guys who were involved in this let's focus on their background:

Cousins= Most recently threatened to put a bullet in his ex's head.

Barnes= Beat his wife

Webber= Where do I even start and also doesn't he owe the city \$ for bailing after his failed restaurant.

Please do the right thing here!

Thanks,
