Matt,

I live in Virginia and rarely watch the Sacramento Kings play basketball, even though I am an NBA fan.

Bonneville International should be ashamed of themselves for firing Grant Napear because he tweeted 'All Lives matter'.

Grant Napear is correct. All lives do matter. Nobody should be offended by Grant Napear tweeting All Lives matter. Grant Napear should not have been fired by the Bonneville for tweeting 'all lives matter'.

Regards,
John

I am not a Trump supporter. Donald Trump is a disgrace to all Christians. He stands against everything Jesus said and did.
