Subject: We Want Grant Back

Im am a die hard kings fan. And kings basketball is Grant! You are making a huge mistake on firing Grant! You are gonna lose alot of listeners over this! I hope espn 1320 takes over and starts covering the kings more! They will probly start listening to them anyways! Whats even more fucked up is not only the kings but you guys both put out statements regarding Grant and you said the same message Grant did! What kind of shit is that? Do whats right and bring back grant before its too late and you possibly losing your job over how you handled this and lost your ratings! I wish it wasnt this way cause i loved listening to grant and doug! But i wont listen anymore until grant is back on the air!
