April 1st, 2019 through June 30th, 2019

Section I. Issues

The station has identified the following topics as significant issues facing our community in this quarter:

- A. **First Responders:** The men and women who protect our community have to go through tough testing to get there and go under scrutiny once on the force. Toms River Police Chief Mitch Little explains how they're working with the community to fight crime in a new program.
- B. **Drug Epidemic:** Opioid addiction remains a primary focus in our area. Members of the Monmouth and Ocean County community are sharing their stories of recovery and standing witness to addiction in hopes of turning the tide.
- C. **Prison Life:** Monmouth County is home to a maximum security jail, what is being done to rehab inmates to become law abiding and functioning members of society?
- D. **Community Outreach:** Two Howell sisters battling rare diseases formed a foundation to help other children like them, Monmouth County Freeholders are teaching elementary school kids about the history of their community in a coloring book, Jersey Shore food landmark Pete & Elda's celebrates over 50-years of business.
- E. **Health Care:** This Spring was one of the worst allergy seasons on record. A Toms River ENT discusses a sinus procedure that is helping chronic allergy sufferers breathe easier; a Cardiologist discusses how to prevent heart failure.
- F. **Road Work:** A Major intersection in our area has been under construction for over three years. Now that it's done, the NJ DOT explains why it took so long as businesses express frustrations...
