CERTIFICATION OF COMPLIANCE
WITH CHILDREN'S TELEVISION COMMERCIAL LIMITS
July 1, 2013 through September 30, 2013

During the period July 1, 2013 through the weekend of September 21-22, the CBS Television Network ("CBS"), a unit of CBS Corporation, disseminated to its owned and affiliated stations the following weekly programs originally produced and broadcast primarily for an audience of children 12 years of age and under:

Doodlebops I
Doodlebops II
Busytown Mysteries I
Busytown Mysteries II
Liberty's Kids I
Liberty's Kids II

All of these programs were disseminated for weekend broadcast by CBS affiliates and owned stations.

I hereby certify that the children's programming disseminated by CBS, during the period July 1, 2013 through September 22, 2013, was formatted to contain no more than the maximum amount of commercial time permitted under the Communications Act, as amended, 47 U.S.C. §303a, and 47 C.F.R. §73.670(a)-(d). Specifically, I certify that, in the form and sequence in which the programming was disseminated by CBS to its owned and affiliated stations for broadcast:

- (1) Each hour of weekend children's programming (containing either one hour-long program or two consecutive half-hour programs) contained no more than ten and one-half minutes (10:30) of network commercials and was formatted to contain no commercials supplied by the local station;
- (2) When, due to preemptions, the network disseminated during the weekend a half-hour children's program which was not part of an hour's block of children's programming, that program contained no more than five minutes fifteen seconds (5:15) of network commercials and was formatted to contain no commercials supplied by the local station.

Starting with the weekend of September 28-29, CBS discontinued dissemination of the above-listed programs and instead disseminated to its owned and affiliated stations three hours of children's programs produced and broadcast primarily for an audience of children 13 to 16 years of age.
