Educacion Migrante

Issue Addressed in this Program

Description on how the issue was covered:

We talked to represents of Educacion Migrante. Now that school starts is very important for families to realize additional services that may be available to them in the same schools. The Migrant Education Program serves students between the ages of 6-21 years, for the purpose of ensuring that the children of farm workers graduate from high school. In collaboration agreements with school districts for students of our academic program receive these additional services within the same school. During the summer most of the programs offered at different schools are sponsored by the Migrant Education Program. The staff is divided into different positions to cover all the needs of the students.

GUEST:
Alma Galvan
Vocera del BBB

Issue Addressed in this Program

Description on how the issue was covered:

We spokeswoman spoke to BBB about all the scams in the areas of Sacramento County • Be wary of unrealistic offers. If it sounds too good to be true, it probably is. Unrealistic offers

are used to motivate purchasers to make hasty decisions, such as "sweepstakes winnings" or fake "government grant" offers.

- Never send money to someone you do not know. Prepaid debit cards and wire transfers are

almost impossible to trace once the transaction is complete. Even if the scam artist uses a name, it is almost always fake.

- Do not fall for threats or reassurances. Scammers will send fake ID cards, addresses, or even use names and phone numbers of legitimate businesses. Verify every piece of information you

receive including addresses, phone numbers, and even employee names when possible.

- Verify their website when possible. If they have a website, know the signs of a fake online
