Certification of Compliance with the Commercial Time Limits in  
Television Programs Primarily Intended for Children Ages 12 and Under

2023

This Certification of Compliance with the Commercial Time Limits in Television Programs Primarily Intended for Children Ages 12 and Under applies to Children's Programs broadcast by this station during the period January 1, 2023, through December 31, 2023. As used herein, the term "Children's Program" means a program originally produced and broadcast primarily for children 12 years of age and under.

The station is advised that NBC Nightly News with Lester Holt: Kids Edition, which was supplied by the NBC Network and aired on this station, may qualify as a Children's Program. I hereby certify that this station has received the attached certification from the NBC Network that any Network-supplied Children's Programs were formatted to comply with the commercial limits requirements set forth in 47 C.F.R. § 73.670. The station did not insert any additional content that would cause the commercial limits to be exceeded or that would otherwise violate 47 C.F.R. § 73.670.

Except as described above, this station did not air any Children's Programs originally produced and broadcast primarily for children 12 years of age and under on either its primary channel nor on any multicast channel.

GENERAL MANAGER  
Title:

**NBC NETWORK  
ANNUAL CERTIFICATION OF COMPLIANCE  
WITH COMMERCIAL LIMITS IN CHILDREN'S PROGRAMMING  
January 1, 2023 – December 31, 2023**

This certification confirms that during the above-referenced year, NBC Network (the "Network") complied with the FCC's commercial limits requirements set forth in 47 C.F.R. §73.670 ("FCC Rules"), to the extent that any Network programming was subject to the FCC Rules.

For the avoidance of doubt, the educational and informational (E/I) programming televised by the Network in 2023 was originally produced and broadcast primarily for an audience of children aged 13 to 16 years old, and therefore, was not subject to the FCC Rules.
